Akashic Records & Data Agents

Why is it important to understand the difference between the Akashic Records and the Books of Remembrance.

Your physical life results are a reflection of the spirit world. We have one of two options on how the spirit world is reflected. The first option is when we have the Holy Spirit, our soul trades are connected to our scrolls or Books of Remembrance stored in heaven (Third Heaven). The second option is if you don't have the Holy Spirit through Christ Jesus, your records will be recorded in the Akashic Records that are stored in the 2nd Heaven.

If you are a Christian, some soul trades (Self, Others, DNA) are linked to physical restraints or bondage which are anchored into the 2nd Heaven's Akashic Records. In part, the Holy Spirit is in the waiting room, waiting for your repentance.

The reason you are dealing with issues in life is that your Heavenly Scrolls are connected to your soul trades. Understanding this explains

how to create freedom from life's complexities. How I found out this information will be revealed, but the question I put to you right now is why is this information is so important to life & lifestyle results?

During my time as a reader, I was astounded at the number of people missing loved ones. Today understanding eternity has given me clarity & conviction to share what I have learnt & the encounters with the Holy Trinity.

Throughout the trading Keys and through establishing evidence you are going to study & unwrap DNA memories which have been veiled. Meaning your soul trades that are recorded in the Akashic Records are blocking the transparency of your Scrolls or Books of remembrance stored in the 3rd Heaven.

Being a DIY detective, together we will unpack your Akashic Records that have had previous and current generations in bondage. Your undertaking of this work is essentially breaking the chains for future generations. Understand that parts of your Books of Remembrance are bound until Holy Spirit's divine words of knowledge/impartation of keys to unlock and release you from life's struggles

Why do you need to destroy the Akashic Records and in doing so what happens to your physical life results. Once you realise the biblical manipulation from humanities enemy then you will get why a lot of things have gone wrong.

1) Akashic recorded can't be burnt!

2) A non- faith relationship person or practitioner CAN NOT access nor fix the closed books of remembrance without understanding Biblical position on soul trades and record keeping in the spirit.

3) Eternity is all about your records. Judgment day is not all about God and You for Satan is also a record keeper and is also present on Judgement Day.

Understanding & then undertaking the Akashic Records is better done on this side of eternity, before ethe undertaker comes.

This is a process, and it starts with the of 666 eviction - Divorcing Baal!
“ This topic is for every human being, no matter their walk in life and should be a continual discussion with children at an early age so they understand consequences in trading.

When the Akashic Records remain uncontested from your DNA actions, this give Satan access to life through his legal authority to walk through his pearly gates. Once you understand the trajectory of any accusation from the accuser, you can claim your authority back and learn how-to walk-in power.

Divorce Baal Decree

I choose to declare that I am turning from my / our wicked ways.

Dear Lord Jesus, I turn from my wicked ways; I want to follow you Jesus.

I ask you to grant me a divorce from the ruler of the demons and principalities called Baal and all the thousands of other titles this ruler operates or clones' others to operate for him in the atmosphere, along with all the human agents and agencies he has working for him on earth.

ruler of the atmosphere, disconnect all invisible telephone plugs, switchboards & party lines, disconnect the invisible alliances that I have been enslaved to, knowingly or unknowingly.

I ask you to grant me a divorce from the Ancient Kings Councils and Slavery frequencies, releasing all geology debt & false accusations, old bail bonds, soul incarceration, all bondage & lies I have been forced to be enslaved by this un-godly ruler of the atmosphere. I believe in the power of the cross, I seek for all past trading agreements that have anchored me into agreeing with the 2nd Heaven. I ask for your angelic host from the Kingdom of God, the creator of all things, to destroy that which is aligning me to the 2nd Heaven, I ask for my books in Heaven to be my foundation and all Akashic records stored in the atmosphere to be destroyed, by the Righteous Judge Hammering Angels & his Host of Heaven.

Lord, I am ready for full restoration back into my physical life, soak my soul, my life & all items stored in the abyss that have been out of alignment with you Christ Jesus, soak them in the Throne Room of Grace & Mercy.

I ask you to grant me a divorce from all connections to The Giants genealogy frequency, known or unknown, seen, or unseen.

I ask you to guard me from the attacks from Python & Leviathan bloodline, of all serpent frequency surrounding or restraining my body, soul & spirit. I ask for the fire of God to come and release me from all things known or unknown, seen, or unseen.

First, I must ask Lord, {rebuke or cast out} the strongman's' hands.

For I want nothing to do with this evil principality nor his armies, bind them all, across all time, dimension, space, and reality, across all dominions and kingdoms, across all words, deeds & contracts, universe

and realms, all satanic terminology deeds & contracts, across all Freemason commissioning from the 1st to the 33rd degree and all field marshals, including all words, oaths, dedications spoken in or over my DNA timelines, anchoring things known or unknown, seen or unseen us into the in the 2nd Heaven atmosphere, including all human agents being used on earth, all mandates & governance not in full alignment with Gods laws of humanity, all things known or unknown, seen or unseen.

I want you and you alone Lord Jesus

So, I declare, That I am divorced from Baal and all his armies, all known or unknown, seen, or unseen and from this very moment. Lord, I know you know more than I, Lord Jesus, in the coming days please share with me my actions today have been recorded in my books in heaven so I may understand you are by my side for Lord Jesus Christ I am yours, for now and always.
