Trading Key #19 Freedom from Manipulated DNA Molecules

You may be just like Karyn and go “WHAT”! Witches use our DNA to curse us? This can be as innocent as making a witch mad in the physical because you have what they will not. The way to look at this is to think not of the person but of what runs the soul in the spirit world.

The key elements will be rebellion & jealousy as the root to any manipulated DNA Molecule. So much more to be shared but if you are having repeating issues over one topic or scenario remember that witches will time loop the curse like the infinity symbol (number eight on its side) This time curse will also be connected to the 4 seasons and 4 directions. Instead of going any further what Karyn has encountered without ever knowing this stuff she has been cursed in the past by witches and from experience she share tools of combat.

AYIN Supernatural Bodyguard Activation

Evidence through Discernment | Wisdom | Warfare | Healing Breakthrough

Witchcraft lays dormant in the soul, 100% it can be initiated into the DNA, an innocent baby. You need to remember you are a supernatural being. We as humans sit slightly lower than the angels but the angels do not function like human beings. Once we get our head in the game you begin to see patterns of outside influence out of your control, controlling situations to what may feel like you or the specific situations is on a remote control and that remote is not in your hands.

Establish Evidence through 32 Trading Keys' Healing Assessment Decrees & Prayers

Ancient witchcraft, philosophy, and secret society. False good deeds are behind modern-day ailments in the physical body. We track the divination tactic of the evil intent behind medical from the unseen spirit world. We will go by physical life encounters and present those as our foundation. We are not attacking people, but we are exposing ancient systems that matter from origin to life today.

- ❑ Genealogy patterns exposes how to heal anything in life.
- ❑ Eyes wide shut, my life of distraction opened my 3rd eye, my mind's eye, & I found witchcraft & satanism in plain sight.
- ❑ House sitting a friend's house who was addicted to Ancient Egyptian Goddesses & Satan turned up!
- ❑ DNA strands of witchcraft that lay in waiting for someone to ignite the curse it may lay for two or three generations. It is in no hurry because they know the ending and the longer they draw it all out the longer they get to roam the realms & dimensions.
- ❑ Modern day practices, healing, mind, will and emotional can leave open soul ties without knowing.

Karyn is going to express her physical encounters that you have studied through each module. She will share openly how the Reiki Demon was

removed by Jesus even when she had no idea one was allocated to her at the time of her atonement.

Her gifts will unveil the most hidden of entities. Because her gifts are backed by Jesus Christ through the Holy Spirit.

By now you will know her biblical heritage was zero, while all this understanding has been of her hearts intent to find truth in healing breakthrough for clients. She, herself has been healed.

Many of her personal encounters have not been recorded along with hundreds of hours of client case studies. The one thing you will learn is nothing is hidden once the Holy Spirit is on your case file. Heavens Courts does not defend you it DEFEATS YOUR ENEMY. The choice is yours to receive, or not.

The following prayer is a loosening prayer one that you can read over your bloodline at any time.

Read through this and highlight the topics that are relevant to your DNA. Ask questions in the family line if you are not sure, gain clarity and let time flow through the evidence. Meaning do not be in a rush as that is when things get overlooked.

Remember at the Spiritual Bodyguard Workshop you will have the opportunity to go over the outstanding issues that have not been resolved.

Take, time to understand the evidence that is needed to be collated.

For this is the deeper way to a get out of Jail Free “Card,” so to speak!

Ensure that your evidence logs are detailed & remember your preparation will assist with less confusion as you go through the decree. Meaning more prep less double up in the evidence, keep it streamlined so that you feel you are in the driver’s seat, working with the Holy Spirit, denying the “Spirit World” your ear.

When you are feeling overwhelmed that's time of breakthrough. Some may feel you need to set aside and address later. Many times, the Holy Spirit will add something that seems less important into your day or your spirit meaning a revelation that is insignificant becomes the KEY, hidden just like when you can't find your car key. Don't let frustration come into the process.

Draw up a template and set aside a list of topics not presented. Make this your story your DNA gunk in the trunk, bare your soul & most of all record your notes and be kind to you and all that you are about to forgive.
