Healing Landscape | Decree Workbook

Level 1 Event | Night Healing Court

Trading Key #11 The Watchman

Take back territory, land, dwellings & environments

Think about Halloween, full moon, and witch's new year end of equinox (April). The lay-line grids are the underground highways across the globe. This prayer is adapted but mostly composed by Karyn's encounters. First for her own personal life and secondly for those that have or are living on land that they may own or rent but has been taken possession of from the 2nd Heaven. The reasons are so intricate that each situation is different but with the enemy it's never the two same attackers. Remember the principalities that fell from heaven are territorial, its generally not the Devil when it comes to land its normally principalities who are the handlers of dragons in the spirit.

Evidence through Discernment | Wisdom | Warfare | Healing Breakthrough

I Am The 'Iyr' over my home

(iyr: watcher, waking, wakeful one, angel)

Father, God in Heaven, expel negative energy veiling my home.

Father, Friend and Judge, the God that created the Heavens and the Earth.

The Father of Jesus Christ.

The God of Isaac, Abraham, Jacob and Israel.

This is your child speaking, Father, Hear me! Hear me! Hear Me!

Father wherever this is being said, In that same place Father,

Everything that I am asking you in this prayer, Father do right in this same place.

Father, cover this place with the blood of Jesus Christ of Nazareth and place the fire of Heaven's protection around my home while I ask for your help to cleanse, clear & remove all known or unknown, seen or unseen, negative strongholds over this place.

Father through evidence I share my reason for asking for your help today:

1. **Father, Friend, Judge,** please draw a bloodline circle around my home, using the blood of Christ, because I am seeking your guidance & protection on this day for my home, my family and all those who reside within these walls, all possessions, ideas, thoughts, dreams, goals and projects.
2. **Father, Friend, Judge,** Seek out every power, partner or energy forms that have fallen from your Grace & Your Loving Mercy; *all* Satanic Forces, Demonic Personalities, Demonic Representatives, Satanic Principalities, One World Order, Illuminati Governance, *all* Reptilian water or land energy, any form of False Authority standing between You and I; *all* Familiar Spirits assisting the 2nd Heaven's many armies; *all* Demon Lords; *all* Demon Groomsmen; Spirits of Oppression; Poltergeists; Dukes; Nobles; Princes; Fallen Angels; Baal; Serpents & Ancient Kings Councils; *all* Sirens, Religious Spirits, Jezebel & Spirit Queens, *all* Ancient Giant Genealogy from Ancient Tribes, all that are abominations to you father, seek them out all the way back to the

seed of creation, in my name and my bloodlines names, all known or unknown, seen or unseen.

3. **Father, Friend, Judge** while we are in this place, send your legions of Holy warrior archangels to conquer over my enemies, of all things they have stolen from me while invading my property, all locations past & present, seek and find my possessions; *all* Strong Holds assisting the Strongman; *all* things stolen from us held in his Trophy Room, have your holy archangels return each item. Let these items first be brought through your Throne Room of Grace & Mercy, and have each item cleansed in the blood of Christ. I ask for each item to be reunited with me, after the hand of Christ has restored and washed away all lineages of bloodline curses, preventing access to them or me again by my enemy.

4. As each item is returned to me, I ask you Father, Friend, Judge to return them in a manner so I will know it has come back to me from you. Let it be also known in the realms of my enemy, I hold my authority & power over my life and all things in my life from this day and any other day. I have learnt that my enemy has never held authority, only power, and I say my authority & power is being reunited with me as I read & decree this prayer over my home, over all that live in it and all things in my possession. Father, Friend, Judge, these are the specific items missing from my life that are important to me.

5. _____

6. **Father, Friend, Judge.** Seek out all negative energy residing outside of Heaven's walls & from your governance, anything on this day and any other day. Those who have made a commitment to & are worshipping all forms of idols, knowingly or un-knowingly, seen or unseen, connected to Ancient Elysium, Greek, Indian, Roman and Egyptian Mythology. All of those that are connected to the ruler of the air. As he rules and they roam to and fro, in the air, underground & in the oceans. Anything under the guidance, control or governance of the 2nd Heaven, all energy forms linked to Lucifer, all who have taken up residence or are trying to dwell in this place, or override my authority, prosperity, love, happiness, peace & joy. Father, Friend, Judge, this prayer is my call for your help.
7. **Father, Friend, Judge.** bring these following things into your Heaven's Court, Room of Justice for me and my home and all that live within its walls.
8. Confuse all of Hell's armies, this very second, creating discord & disharmony amongst their programming & systems, legally or illegally, all things they do that I am unaware of, for I know you know more than I in all that I talk about today & I believe you believe in me, for I believe in you Father, Friend, Judge.
9. Torment all of Hell's armies in a manner that the power of their boss, Satan, would torment them, when they don't carry out his instructions.
10. Cause a satanic disagreement among all of them this very second.
11. Make in-effective all their spirit weapons & apparatus they are using. All their evil operations, plots, strategies, tactics, evil plans and diabolical assignments towards anyone in this place. No matter where

they are hiding in my dwelling, seek and destroy legally through your blood and my awareness of your authority & power given to me over all things on Earth.

12. **Break** false bonds and bondage agreements that are being manipulated through unknown soul wounds. Anything you see that I do not, for I know, you know more than I. *All* things being manipulated by them causing harm, discord & destruction within this home or family. All things illegal used against us and all false legal accusations un-known by us, hidden by our enemy, yet veiled from us without understanding.
13. **On this day** & any other day, bring forward all entities, named or unnamed, known, or unknown, seen or unseen. Make them all ineffective in their actions against my home and our life purpose for all that live within these walls. In the name of Jesus Christ of Nazareth loosen all veils of strongholds against us.
14. **Father, Friend, Judge** remove from their Thrones the powers of self-appointed or ancient energy standing in or over my home. All Ancient Demonic Kings Energy; Demon Lords Energy; Fallen Princes Energy; all Nobel's, all False & Dark Energy; Ancient Dukes Energy; all Fallen Powers & Fallen Principalities Energy; all War lords and Over lords; Anything that falls under the Governance of Lucifer & or the 2nd Heaven System. All negative energy assigned or being reassigned or hidden unlawfully; all tag teams, known or unknow, seen or unseen, anything that has been assigned to rule over my home or any individual soul. Father, in the name of Jesus Christ of Nazareth, by my authority, I BLIND them with your glory light. Father, I now BIND them and lay them at Jesus's feet for this is my only option to cleanse my home and rid these abominations out of my life. Jesus, please heal all soul wounds, as you see & know more than

I in all these matters I speak of today. I believe you have removed these entities right now & are healing our lives & livelihoods.

15. **Father, Friend, Judge.** Send your Holy Warrior Archangels to my home, send your Holy watchers, for I know they have been waiting, listening, and watching out for my call of help in this time of need. Father, Friend, Judge, have your Holy watchers fill the space where the armies of 2nd Heaven once stood. Have them watch over us. In this place, destroy all negative forces under Lucifer's Governing Powers, all known or unknown, seen or unseen, for I know you know more than I can possibly comprehend. Father destroy all 2nd Heaven's demons, gargoyles, strongholds, strong men, familiar Spirits, all Witchcraft & Warlocks, *all* dragons & crystal ball energy, for I have come to understand that there has been a situation that has opened doors, gateways, portals & vortexes allowing the enemy free entry into my home. I know your vision from Heaven looks over all things and I know you can see me and my life, therefore I seek you to come closer as I build faith inside of my home, to come closer to you, for this call is my call of hope as I place my home under your governance and this call is my statement of that authority I am seeking to implement back into my life from this moment on.
16. **Father, Friend, Judge,** my authority is seeking your Holy Judicial Angels to remove the multiple armies of The Spirits of Oppression & Strongholds against us, across every category, known or un-known, seen or unseen by us. For we have faith in Heaven's Judicial authority as the blood of Jesus is our authority, and we stand in the authority & power over the 2nd Heavens.
17. **Father, Friend, Judge,** while your Holy Warrior Archangels are in my home, have them check all materials used to build my home. Have

them check from the timber in the roof, to every nail, fixtures & fittings, all doors, all windows, and framing, search the air & the air waves all the way into & under the flooring & foundations. All walls, plumbing, including the sewage system, paying attention to all electrical & lighting through the property inside and outside. For You and I know this is where they most commonly reside. Have your angels collect all grey energy hovering outside all windows in the dead of the night while we sleep. During this time let us feel the warmth of your Loving protection. Father, Friend, Judge, let your flame burn; make it visible to our eyes in a manner I will understand and make it intensely visible to our enemy, making it known they hold no more power inside this place and those that reside here. Let the bloodline circle I have asked you to draw around my home be present in the eyes of our enemy, let that blood burn their sight, making my home impossible for them to enter.

18. **Father, Friend, Judge,** Here I am standing. I call on your names. Father, through the power of your Holy watching Angels, remove all grey or dark moving shadows for I know they think they can affect us for they say we have no authority. Father, we know our authority was gifted back to us through the power of the Cross, so Father, move quickly & by surprise. Remove any familiar spirit trying to engage with the young children inside this home, let their stronghold weaken from our youngsters, let our teens and young adults come into understanding on how to obtain their fullness & authority through you. Let all adults, oblivious to these veils of oppression, learn in a manner they understand.
19. **Father, Friend, Judge,** take any grey energy that is causing sleep paralysis; anything that is causing sexual dreams and causing any false sense of intimacy; anything causing or creating self-loathing or laying

the foundations of low self-esteem; all things that are an abomination to you Father; anything weakening our authority; anything that has taken residence here; anything you know that is aiding and abetting the 2nd Heaven & Lucifer's armies. For we have come into agreement & understanding that their purpose is to reign havoc over our life experiences.

20. One of their tactics is to make us feel that we hold no authority. They do this through creating a divide and conquer energy into our home effecting us in all varying degrees. They are also responsible for the feeling of "A false sense of fear". They are also responsible for Instilling Guilt or Deeply Seated Shame for the purpose to overtake our personal power & weaken our self-governing authority & power. Father in the name of Jesus Christ of Nazareth, help us by removing anything dwelling here; anything you know we cannot see, smell, taste or hear as we come into understanding on how & why they exist in or over our home.
21. Have your Holy Archangels destroyed the enemy instantly? Because of their deceitful actions and intent, we offer them no options for forgiveness. We are stating our authority over our property and ask for all forms, known or unknown, seen or unseen, anything you see that we do not, they must be laid at the foot of Christ, for he will know what to do with them, ensuring there will be no return. I BLIND them, I BIND them, and I lay them at Jesus's feet.
22. **Father, Friend, Judge**, once this has been actioned by your Holy Archangels, please take the blood of Christ, and make a final bloodline circle around our home, protecting us from any future intrusion, false accusation & interference from our veiled enemy. Ask your angels to make a Holy Sanctity Circle around this place to keep all future evil from re-establishing or re-entering this place. Father,

please hear me, this is your child speaking, Father please share your actions in a manner I will understand. Share your energy so I know you have heard my plea. Father in your name I thank you, thank you Father Thank you.

23. **Father, Friend, Judge,** have your Holy warrior archangels walk up and down this place in every room, every rafter or beam, into every corner, boundaries of each room inside this home, all the way out to the outer boundaries of this dwelling. Have them take the dominus fire and burn veiled negative energy inside & outside of this home, reminding the enemy whose protection we are covered by.
24. **Father, Friend, Judge,** take your invisible dominus fire, burn your purification fire through every person residing in this home. Some are not here right now; my faith is, I know you know where to find them. I stand in our home and each person may be in other locations, I know in my heart you are watching over them. Right now, Father, take your fire, starting from the soles of each person's feet, take both the left & right foot, evenly raise your dominus fire inside us, raise it up evenly from the soles of our feet, up to our ankles, then to our knees, up to our hips, all the way up to our armpits. Now release your dominus fire out to the palms of our hands; out to our fingertips and all the way from our fingernails back to our shoulders, now move with absolute certainty, move your dominus fire from our shoulders to our neck, engulf our crown all the way to the tip of our head, without delay Father. For all who are residing in this place, no matter where they are standing today as I call for your help, we say thank you.
25. **Father, Friend, Judge,** let your warrior archangels monitor over each person, for I decree & acknowledge how important your angels are in our lives. Have your Holy watching archangels keep an active watch over this place ensuring change is instantly felt by all and not interrupted by our enemy. Have them stand at all four corners of each

bed in each bedroom, have them walk through all rooms constantly checking & ensuring all evil has been moved on. Have them stand all the way out to the outer boundaries of the dwelling, all the way out to the corners of the section, checking all rafters, nooks & crannies where our enemy lies dormant to our eyes. Father, we give our gratitude in the Name of Jesus Christ of Nazareth.

26. **Father, Friend, Judge,** going back to my earlier request for you to draw a bloodline circle around this place. Before you draw it, I want to give you some specific details and some conditions I need you to meet.
27. **Father, Friend, Judge,** Where I am standing, in that place, this is to be the centre of the bloodline. From that centre I want you to draw a bloodline circle with circumference of 10 kilometres of where I stand; for on this day this is to be the centre of this bloodline circle.
28. **Father, Friend, Judge,** use as many Holy warrior archangels as it takes and put them around the edges of the bloodline circle you drew. Father inside this bloodline circle I want you to pour the blood of Jesus Christ; filling the ground beneath this circle all the way up until his blood reaches the heavens.
29. **Father, Friend, Judge,** also send legions of warrior archangels inside this bloodline circle to help destroy the legions of Lucifer's and any of the 2nd Heaven's armies, all known or unknown, seen or unseen, all strongholds residing or trying to rule this place.
30. **Father, Friend, Judge,** release the full power of the Lord Jesus Christ inside this bloodline circle. Father, take the blood of Jesus Christ and break all power from all of Lucifer's armies, known or unknown, seen or unseen, all demons & familiar spirits, hiding within this bloodline

circle, remove all attempts of the Spirit of Oppression called “Maeve and Sybil”, remove her attempts on Soul Extraction, Soul Seat sharing & All Soul silencing that she is causing. Remove Maeve from causing anxiety, depression or suicidal thoughts, vertigo, dizziness, or foggy minds. Remove her now & remove all known or unknow, seen or unseen attachments, tactic tools and tag teams connected to her & her Boss and all 2nd Heaven off our bodies & our home. Take the blood of Jesus Christ and cleanse everything within the bloodline circle; from the ground, under the ground, above the ground, in the air, straight up to the heavens, across all time, dimension, space and reality, across all dominions & kingdoms, all directions North, South, East and West; all seasons & elements, across all words, deeds & contracts, all satanic commissioning & secret society sacrifices, known or unknown. Let all spells, rituals & witchcraft words; anything recorded in the ether against Your Will Father and against all our names living or residing in this home let us all be cleansed in the blood of Jesus Christ. Take these requests all the way back to the seed of creation, inside our bloodlines, for I forgive my bloodline.

31. **Father, Friend, Judge,** take the blood of Jesus Christ and make a complete END to the powers of darkness in the name of Jesus Christ of Nazareth. Father take the blood of Jesus Christ and make every evil spirit in the bloodline circle powerless in the name of Jesus Christ of Nazareth.
32. **Father, Friend, Judge,** force all demons within this bloodline circle to kneel & yield to you. Father, as many demons are deaf, dumb, and mute, let them see, feel & understand the meaning of my authority, and the meaning to my words spoken over this place & all people residing here, all those visiting this place, let them be cleansed as they walk into this place. Let them be cleansed before they enter,

removing all possibilities of evil reaching us, Father make all things I have asked effective this very second, In this place.

33. **Father, Friend, Judge**, let our enemy know Lucifer is Defeated; Satan is Defeated & The Devil is Defeated, all demon spirits; familiar spirits; all evil known or unknown, seen or unseen, I say in this place where I am standing all will all bow to the one true living GOD who made all the Heavens and the Earth; God Elohim, the great "I AM" is the one TRUE living GOD. He is my master, and all demons will bow to the Authority of The Father, The Son & The Holy Spirit, releasing me from the grip of my enemy and placing my home in the loving grace & mercy of Heaven's Judiciary, for today I am legally BLINDING, BINDING & LAYING my enemy at the FEET of Christ, claiming my authority & power over my home and all things connected to that environment.
34. **Father, Friend, Judge**, send angels down where I am in this place, to do some other specific things. For I understand evil will go to any length to destroy our children & our family. Father, I want the archangels from Heaven to spin these demon's minds around & around & around until they become confused. Father paralyse them, harass them, irritate them, annoy them all. Father drive them into insanity, inflict all your legal power over them, torment them, deliver agony & persecution, destroy their future ability to reach this dwelling & any occupant; anyone residing & visiting, through all electronics, games & gaming, on-line gambling, false teachings & TV shows & movies, blocking their entry through these appliances & mediums. Have all demonic false identities residing in all children's toys, games, books, screens, devices, and movies be expelled from this place and wash these items through the Throne Room of Grace and Mercy, wash all items in the blood of Jesus.

35. (Bless items after washing using Psalm 91, Psalm's 23, or 27 or the Lord's Prayer)
36. **Father, Friend, Judge**, before the Holy Archangels take charge over any evil spirit, by my authority,
37. **I BLIND** all 2nd Heaven's armies' strongholds found on this property.
38. **I BIND** all 2nd Heaven's armies' strongholds found on this property.
39. I ask for Heaven's Judicial armies of angels watching over my family, my home and all residing with in these walls to lay our enemy, bound at the foot of Christ, for his authority is higher than ours.
40. I ask to have them laid at the foot of Christ for eternity & never LET THEM gain access into Earth's energy or frequency for eternity.
41. This includes every dark ancestral spirit; ancient spirit; every power of darkness; satanic forces; all 2nd Heaven's that I have mentioned, known or un-known, seen, or un-seen, today in this plea, in the name of Jesus Christ of Nazareth.
42. **Father, Friend, Judge**, In the event all are not bound, Heaven please arrest them, lock them up, imprison, capture, and detain, blind & bind every evil spirit inside the bloodline circle so they cannot do anything or carry out anymore evil assignments. Make our spiritual warfare legal & effective, make our warfare against them known to all 2nd Heaven, place your shields of light informing them that they must refrain from entering any dwelling we live, work, walk, or sleep in; any dwelling we visit or enter by our authority, we put them on notice, by his stripes we are healed, my home is healed, my authority is healed.
43. Let our energy automatically tie these entities into multiple knots. Let our intent be known to cause the enemy blockages, let Lucifer's

activities be turned inside out and upside down so they have no idea what to do next, let their confusion cause a satanic disaster inside their own armies, let the light of heaven shine so bright they no longer can see us. In the name of Jesus Christ of Nazareth, let our babies, children, teens, our elderly & most vulnerable or those caught up in addictions be covered in your glory light. Let others see your light and by doing so exposing the enemy's darkness & their truth behind their intent.

44. **Father, Friend, Judge**, where there is resistance from our enemy, have the Holy warrior archangels cut the demons into pieces. I speak death to every demon residing here. Holy Spirit send your fire down from Heaven to burn every evil spirit energy remaining and trying to live here in this place, give them no grace, give them no mercy, give them no more time to evacuate, it all stops here and now we say, "No More!". We act and announce our authority over our enemy instantly; we act and announce that our authority lives in our Hearts and is connected to the Heart of Heavens protection residing over our home & our lives.
45. **Father, Friend, Judge**, I know you have the authority & power. Father eliminate, obliterate, wipe out, tear down all evil operations, plots, strategies, and wars against us. All forms of chaos, named or unnamed, known or unknown, all shapes & sizes of dark forces, all demonic energy all the way from Ancient Giant's Genealogy to all Serpent's Genealogy, all shapes & sizes of Gargoyles, all dragons Genealogy, including all Witch craft to Warlocks; magic or spells, potions & rituals, all levels of fallen angels; all 2nd Heaven's Powers & Principalities, to any form of Lucifer's Hierarchy & to the Illuminati & One World Order Governance, all reptilians energy & water Gods, all Freemason, Secret Societies & cults, known or unknown, seen or unseen, all religious spirits and Ancient Kings &

The Spirit of Absalom, all forms of oppression from the diverse & multiple spirits of oppression; Spirit of “Maeve and Sybil” and all like her. Any Manipulation along with anything hidden beneath the veils of the underworld including all indigenous water Gods & Goddesses, all things known or unknown, seen or unseen. Help me realign my satellite dish help me find your frequency in a manner I will understand you.

46. **Father, Friend, Judge**, reduce them to nothing, abolish their legal right, demote them from being able to recreate their image as anything other than their truth. Take away their ability to shape shift or transmute into false spirit guides with the intent to mislead. Stop their ability of being veiled from their true identity, let their true self be known, let their true image be seen, let their true intent be heard and let 2nd Heaven’s veiling be ripped apart so humanity can see the truth of the 2nd Heaven’s intent, purpose, and tactics they have inseminated into our lives. Lord don’t stop the truth. It is time for us to take our authority back, it is time for humanity to join without judgment. It is time for Heaven’s Authority to be taken back by mankind for destroying the 2nd Heaven’s activities on Earth and inside my home and all the people I love & cherish.
47. **Father, Friend, Judge**, let their false alliances & agreements be unveiled, let the truth step forward, and let those who can step up and into the space help them make change, make them ready for this challenge, make them see what you know they need to see.
48. **Father, Friend, Judge**, Unveil the 2nd Heaven’s hierarchy & weapons, then assassinate all traces of evil demons, all tapestries, gateways, portals & vortexes, specifically where lost souls of our bloodline have been locked behind the enemy’s veils, all bloodlines lost souls, past &

present locked out of their destiny, purpose & connection to your protection. Father, anything evil inside this bloodline circle & inside this place, that has taken refuge in this place, deal with them instantly, please do this in the name of Jesus Christ of Nazareth.

49. **Father, Friend, Judge,** I want you to remove all the invisible signs put up by the enemy, all soul-destroying signs that break us & sell us out & creating false results. *All* false words spoken against or over us where we have given away our authority. Father, I want all TRUE or FALSE soul wounds, soul ties, Soul splitting & soul sharing, soul manipulation, soul travel and soul trafficking as we sleep, *all* soul contracts assigned against us, soul fragments & fractures and soul agreements chained to soul bonds & bondage, all soul litigation against us to be released into your court room so we can approach your kingdom in full faith. Father remove all tools & accessories from the enemy's premises & from those that have been aiding & abiding our adversary, all hidden weapons used against us or this land & our dwelling.

50. **Father, Friend, Judge,** before you place your final prayer shield around this place, we say we use our authority & BLIND & BIND the Strong man's eye's & hands, bind all that is his and placed against us in your name. We bind all negativity against each & every individual residing or visiting this place, in the name of Jesus Christ of Nazareth. Break every stronghold, all levels of spirit oppression, curse, spell, hex, Voodoo, witchcraft, all magic veils of illusions, oversight, sound, body, mind, spirit, free will, words, deeds & contracts, all forums of satanic commissioning that has been placed or spoken over this place and any person. With all those who are residing or visiting this place, break all satanic & secret societies rituals and commissioning's, veiled, or attached to them, all known or unknown, seen or unseen, specifically all cursing words, all Freemason, occult worshipping alike,

all books of dogma & devil worshipping, all satanic altars created in any of our names, all the way back to the seed of creation anything knowingly or unknowingly.

51. **Father, Friend, Judge,** All the demons that are here, have them bite upon one another, cause conflict and confusion amongst them all, let them know that none of them has any AUTHORITY, leaving them powerless over us and all living in this place from this very moment. Father anoint this place with your grace & mercy, with your language, with your honour & your glory, let the full power of your glory light burn the eyes, ears, arms and feet of all our enemies to block them. Father seal this place off from the reach of Lucifer by releasing the full AUTHORITY & power of the Holy Spirit in this place, In the name of Jesus Christ of Nazareth, for he said “It is done. It is finished.”

52. **Father, Friend, Judge,** I believe that you have heard my PRAYER and that everything that I have asked, you are doing, and I thank you for everything that you have done in full faith. Father, I honour the events of Calvary & acknowledge Jesus is Jesus, for he died as me, not for me. I seal this prayer in full faith, and I call upon the glory light to heal the voids of all forms of soul wounds inflicted by the enemy. Through the glory light these wounds are now sealed all the way back to the seed of creation and all the way forward in time, never to be repeated in this bloodline for eternity, all the way back into our physical lives we are each living in this moment.

53. **Lord, Father God;** place a garrison of your angelic host from your Kingdom in High places, set them around the perimeter of my home, let them be armed with Gatling guns and be on guard in the spirit, let no weapon prosper against me let your armour be upon my body & cover my home and all environments I walk in on this day and any

other day, let my enemy know you are present in my life and let the light be so unbearable that my home is illuminated in the spirit, in all directions across my town, city or neighbourhood. Let the leader of your garrison stand all principalities down making them ineffective in their assignment.

54. Let all that has been done here today be recorded in my books in heaven, and may my books be closed and be placed into the sea of glass protecting all that has been achieved today by the order of Melchizedek.

55. **Lord Father God**, I honour all of Heaven's Seraphim & Cherubim, all of Archangel Michael's legions of Warrior angels for collecting all the loose debris from the war against the demonic forces and with gratitude, I knowingly ask for your assistance through my renewed authority & power that I have received from you over my home & dwellings. All items of possession are now restored back into everyone's name, and we seek the sealing of all doors, gateways, portals & vortexes, known or unknown, seen or unseen, blocking Lucifer & his armed forces, demons & alike, to any part of my bloodline, all the way across the ether, back in time & forward in time. *Father*, through your Throne Room of Grace & Mercy I walk out this prayer and seal with the Blood of Jesus for he said "It is done. It is finished". As I choose to live my life inside this residence without conflict, discord, without false contracts being held against my name or my bloodline members names -

I choose to stand in freedom from oppression
I choose claim & to use my Authority & Power over darkness
I choose the light of the Lord Jesus Christ of Nazareth

I Believe in Him

Trust in His timing,
Rely on His promises,
Wait for His Answers,
Believe in His Miracles,
Rejoice in His Goodness,
Relax in His Presence.
