## Trading Key #2 Spirit of Abandonment

Any time in our lives we feel abandoned, the 2<sup>nd</sup> Heaven will use your dreams and visions as a weapon to cause terror against your mind, will & emotions (your soulish nature). Closing off their entry can create massive breakthrough but remember you have had a lifetime of war stored inside your trichotomy where your enemy has planted sickness and disease creating self doubt, fear, anxiety, depression, and everything else they can think up, causing discord and disagreement with Gods truth about you. When establishing your evidence logs, please think about this, and understand, these trading keys are a journey into Freedom.

## Establishing & Tracking & Tracing Evidence is powerful way to heal your Trichotomy (Body, Soul, Spirit)

## Tree of life - Abandonment Trading

Think about any area or time in your life where you have let others down. Think about how and when you let yourself down. Think about how others have let you down. Think about the foundation or source of “Abandonment” in the biblical sense. All of humanity was abandoned through the choices and actions in the Garden of Eden. We sometimes think “I’m Stupid” or “Why did I do that?” This trading key is part of eliminating these types of emotions. Our soul knows, but our flesh acts with its own intent because we are a trichotomy. This means we are 3 parts, 1 - Soul, 2 - Body, 3 - Spirit.

Abandonment opens the doors to fear and shame creating a pattern of guilt or unworthiness. Trauma and Abuse are severe forms of abandonment and can lead deep into depression, feeling a lack of love and abandoning all hope.

Abandonment can also be a strong bloodline curse dating back to the war when soldiers felt abandoned on the battlefield by being separated from

loved ones, in a time of despair. Families left at home were abandoned by the provider and protector of the family.

Adoption - Here the genealogy is veiled from day one in the physical world. However, in the nonphysical this veiling allows another level where curses make inroads to our lives.

Abortion\* - Abandonment earthly (1st Heaven) rejection of the spirit and soul. This is the origin of many DNA curses.

*\*Please don't let this aggravate you, set it aside if it's a challenge, for the information Karyn carries is not about Judgement. It's about empowerment inside our soul or bloodlines. Wait until you have a supernatural understanding. Please give space in your heart to hear about others' understandings on a deeper level, not just a worldly, scientific, universal or a global perception. Karyn makes this a personal request. There are so many encounters that she will give you descriptive insight of, so you can make an informed decision from the eternal aspect of looking at the human soul.*

At school - left out of a sports team, school choir or playtime, being bullied breeds isolation and loneliness.

Failures - business, career, school, life goals, relationships etc, attempting to do something good and it misfires, you feel abandonment from failure.

Finances - debt is an abandonment of your commitment and responsibilities to others and yourself.

Broken homes - divorced/separated parents leaving children behind or feeling unappreciated or loved, this is then endorsed by a conversation with a school friend or similar confirming the same fearfulness, lack and shattered feelings.

## Discovery of Evidence

The following is your DIY getting started document. Both the Orphan Spirit & Stupidity Decrees will open memories of what needs to be forgiven. Sit on your own, listen to some worship music on YouTube and go with the flow. Make the notes in the spaces provided, use the reverse side of the paper for more notes if required. Repeat this as many times as you like but once you have made the statement you don't have to revisit it unless it comes up when in consultation with Karyn. Once you have forgiven then make it your truth. No more animosity in the spirit because you are slaying the dragons and patterns of generational unforgiveness, all lies around you and your bloodline.

*The Holy Spirit will give you a nudge of what needs to be addressed; I will never ask what's up at the first meeting, it is always by purity of the evidence the Holy Spirit offers from the Balcony of Heaven, and it never is what we think is important, yet by the time we are finished the information makes sense, becomes relatable & relevant.*

## Present Your Case / Evidence

***Note:** the space made available for you to make notes of the things you know are not good and the things that hold you back. You will be surprised by how good you will feel after making these simple little steps. On your own is best than with others in the family. This script was one of the first ways Karyn took her clients into the Courts of Heaven. They all made big strides in achieving and changing when applying this to their daily or weekly life, until after a period when it became a normal way of thinking and living when addressing issues that presented to them individually throughout the coming months. Today those same people work & live in an amazing amount of freedom.*

***Note:** you need to quote all the names you are known by - nick names and ex-married names & maiden names. This is truly relevant when in court. Your life records are under the Tree of Good & Evil, meaning the Hermetic way (Akashic Records of and not the Books of Remembrance that are stored in Heaven.) This will be why you are not getting results in the court of heaven or in physical life.*

## Foolishness or Stupidity Decree

**Father, Friend and Judge:** I acknowledge that I have had a shame-based life and that I have allowed the enemy to access me.

**I confess** all the sins of my ancestors.

I confess my parents and all the authority figures in and over my life.

Everybody that has sinned against me, that would cause me to give a place for the shame, fear, and guilt to take hold of me; I forgive them all Lord.

**Father, Friend, Judge,** I ask you to forgive me now as I have forgiven them.

**Father, Friend, Judge,** I choose to forgive myself for all the stupid things I have done, enhancing all shame, fear, or guilt, thereby giving it a place to be active in my life.

**Father, Friend, Judge,** help me break my covenant with shame, along with fear and control. Dismiss all strongholds over me and my bloodline, let our

enemy's ability over us, hold no more legal rights, removing future opportunities of litigation to be brought against us.

**Father, Friend, Judge,** assist me by summoning our enemy to address you today in a manner we understand. Ensuring nothing is left in the bloodline giving them a legal right over us.

**Father, Friend, Judge,** restore our minds and call out your blessings for each of us in our names, as in Heaven and on Earth.

**Father, Friend, Judge,** let me see myself as you do. I trust in the coming days, you will come and heal all the hurts in my heart that I have given a place for the stronghold of shame, fear, and guilt to take governance over my life journey and life results.

**Father, Friend, Judge,** today day I declare I Am Blessed, not just on this day but all the rest of the days of my life. From this moment the wars and allegations my enemies have waged against me are NOW overrun by the blessings you hold in my name. I am totally free – In Yeshua's name Amen.

## Orphan Spirit Decree

**Victim & Orphan Spirit** : I \_\_\_\_\_ (state full birth name)

Father take mine and my family bloodlines VICTIM SPIRIT, for we take back our authority.

We say we are NOT ORPHANS; we say we are NOT VICTIMS.

We say we are no longer ABANDONED - We say we ARE OVER COMERS.

I am grateful to be seated with my family and other spirit Witnesses, as they share their wisdom with you about me. Thank you for your Heavenly Places Lord and for giving me a chance to restore and reunite my truth that was written about me before I came to earth. In my name I choose to ask for full restorations and cleansing of my relationship with you, rebuilding my earthly trust in your words that have separated me from you.

Father, I am grateful for your grace and mercy, and I knowingly acknowledge and accept the events at Calvary and that Jesus is Jesus. For what he did as me not for me breaks all generational curses off my life and

all those in my bloodline whom I choose to acknowledge the work we are doing together on this day.

I now come into agreement, for we are all Kings and Queens seated with you. Let me affirm my identity and my family bloodline's identity with you Father. For we all receive your robes of richness. For you and only you can cleanse our blood all the way back to the seed of creation.

You have robes of richness and crowns to put on us and you grant us authority to sit in your courts. I ask for the restoration of my Heavenly Scrolls all the way back to the seed of creation, cover my entire bloodline all known or unknown.

Father wash our records where I have un-knowingly given the ENEMY entry, where they have falsified or written over my Heavenly Scroll, altering the truth of my purpose and destiny, that only you know about me.

I ask for mine and my bloodlines Heavenly Scrolls to be cleansed and restored this very moment, under your authority and witness and to be washed in the blood of your son for eternity.

So, Father on behalf of my family bloodline and myself we thank you for opening Heavens Courts and Councils on this day to hear our case.

Jesus, we thank you for your blood that made the way for these accusations to be removed and to be erased from our records

So, father through your verdict today I am ready to be placed back in oneness with you, for I know your word is pure and I offer my humility in exchange.

Yeshua's name Amen.

**Lord break loose** generational curses all the way back to the seed of creation, covering my bloodlines intent and actions across all Time, Dimension, Space, Reality, Dominion, and Kingdom, across all universe and realms, known or unknown, seen or unseen.

**Lord break loose** curses from failed relationships, communications blocking your love, peace, and joy in our lives as I know you see what I do not, and I know your heart and intent is pure.

**Lord break loose** curses connected to mine and my bloodlines health and wellbeing; removing the legal right for illness and early deaths to appear or repeat across future generations.

**Lord break loose** curses blocking my ability to create wealth and prosperity in all areas of my finances. Let me see opportunities through your eyes, not mine.

**Lord break loose** curses of my delayed achievements in all areas of education, business, all career opportunities, anything blocking freedom and abundance. Break loose, all curses stopping my ability to succeed in a manner you and I talked about before I came to this life.

**Lord break loose** curses off Family situations that are under threat or being persecuted by our enemy, stopping the full fruits of our true-life rewards from manifesting, as your words spoken over us have always been pure.

**Lord break loose** curses across any bloodline members known or unknown to me; all curses, layers upon layers, sitting over us, blanketing me or my bloodline through injustice of aborted souls, all things I know nothing about, yet the enemy uses against us. Father lets us repent NOW for all who have travelled roads that have knowingly or unknowingly let the enemy enter.

**Lord break loose** curses covering mine and my bloodlines illnesses and diseases. Anything that has plagued our genealogy for generations. All diseases and addictions, all forms of violence to self and others, all mental illnesses veiled by our enemy, all energy that is held in captivity as a form

of false allegations, all writs and warrants, known or unknown. In my name I repent releasing all legal or illegal holds over my bloodline this very moment all the way back to the seed of creation. I call all to be exposed and laid in the hands of my Advocate, Jesus Christ.

**Lord break loose** curses of stagnant emotions blocking by life from love, peace, and joy. Any form of satanic decrees and commissioning blocking the physical life, all things seen or unseen, known or unknown. All Freemason and Secret Societies, all Satanic words, deeds, books, spells, and rituals and any government official appointed by the people who has behind closed doors, spoken any hidden evil oath over my nation.

Lord, wherever I stand in your presence and your court room on this day and any other day, I knowingly receive your wisdom and direction, your cleansing, clearing, and healing, in full authority and by faith I now understand how to listen and seek your refuge.

**Lord may your blessings** remind Satan that the stripes of your blood has fallen, and that my iniquity has been settled by the bruises you received as me.

**Lord may your blessings** remind Satan that the stripes of your blood has fallen, and that my transgressions have been settled because of the beatings you received as me.

**Lord may your blessings** remind Satan that the stripes of your blood has fallen, and that My Sins have been washed in your blood, for you died as me not for me.

**Lord may your blessings** remind Satan that the stripes of your blood has fallen, and that from the seven places where your blood fell, it fell as me.

Through Matthew 5:25

*Matthew 5:25-34 New International Version (NIV)*

<sup>25</sup>“Settle matters quickly with your adversary who is taking you to court. Do it while you are still together on the way, or your adversary may hand you

*over to the judge, and the judge may hand you over to the officer, and you may be thrown into prison.<sup>26</sup> Truly I tell you; you will not get out until you have paid the last penny.*

**I address** my adversary this very second and I say: I have come into agreement and break bread and drink wine with you Lord, by doing so removing the space for a curse to operate.

**I now call** upon the blood of Jesus to heal all soul wounds and ask for the hand of Jesus to seal with his holy oil any wound in my bloodline, all the way back to the seeds of creation , known or unknown, seen or unseen, back to this very moment. I remove my adversary from my life in every area discussed today. In this moment I ask, Jesus release the promises that have been stored in heaven in my name.

**I release** all bloodline souls trapped in the enemy's hands, any bloodline soul held in captivity by our adversary including his human agents; Across all Time, Dimension, Space and Reality, Dominion, and Kingdom, across all universes and all realms, known or unknown, seen or unseen, across all directions, season, elements, words, deeds, contracts and satanic commissioning, all false prophecies, and religious spirits and unfulfilled agreements.

**I release** these promises along with anything stored in the strong man's trophy room, in mine and my bloodlines names, by calling him into the courts of heaven through my advocate, Lord Jesus Christ, so we legally can retrieve our spoils this very moment, in mine and my bloodlines name, I release these findings into our lives instantly, without delay.

**I am acknowledging** the purpose of today's work is knowingly being reunited with Heaven through today's verdict. By receiving the Holy Spirit, I am in alignment with my soul, flesh, and blood, against all genealogy spiritual warfare.

In the almighty name of Yeshua.

Lord take these findings back to the seed of creation. Shake free all dead fruit from my genealogy family tree, cutting all roots, known or unknown. Unshackle us from the grip of our enemy through your authority and my free will. Replenish our family Tree with the fruit of your glory, with purity and peace washed over us. Release all the promises back into our lives this very moment.

Lord, shout out across all Time, Dimension, Space and Reality, Dominion, and Kingdom, across all Universes and Realms, from all directions, all elements, all seasons, across all the stars of the universe, all the way back into our hearts, flesh, and blood on earth. Please nail our verdict to the cross and burn in the consuming fire of our father and post on our Ache for all to see.

Lord, I now walk these findings out into your Throne Room of Grace and Mercy, representing myself and my bloodline. I stand under your shower and soak my Soul in the Blood of Jesus. Let this anointing be felt amongst those of my family in most need of your love, grace, and mercy, because I am full of your hope that my actions today will show up in our lives across all genealogy connected to me.

I ask Father, let your blessings be shared with me today, be active and present in mine and my bloodlines daily life. Let your words wash through the entire bloodline lives. Let the Holy Spirit work through us, allowing us access to your truth of our individual purpose from this day forward, bringing forth all we discussed with you before we came to this life.

Father, before we leave these proceedings, may I ask for your living water to keep me divided from my enemies so I may have space and freedom to realign, readjust and receive your love without any interference from the 2<sup>nd</sup> heaven. Let your fire flow through me & my bloodline in a manner we have not felt before. Let us continue to heal our lives by knowing you are present with our daily actions and intent. Let our adversary know we have given ourselves to you, blocking them from all access no longer, but servants of the most high God.

God, I choose to wash my soul in the blood of Jesus as I walk through your Throne Room of Grace and Mercy. To be fully equipped, I dress my salvation in your armour. [Ephesians 6}

In Yeshua's name Amen.
