Trading Key #5 Common Spirits of Oppression Titles & Names

A small and basic list of ailments, issues & lifestyle results Karyn calls “DEMON-ONSIES”. You are not talking to a loved one when consulting a medium (like Karyn once was) You are talking to a demon in a onesie! But more on that later. First we need to get you head out of the 2nd Heaven grasp and let you at your own pace, re-establish some home truths to the purpose of the attacker of your trichotomy. The small list attached are the common ones. There are thousands. Just think of ailments, discord, or modern-day labels like ADHA, Depression, Financial Failings, Sickness, Mental Health issues and you have the origin of the situations. Remove the entity after identifying its legal rights and boom it’s moved on. Done the wrong way without knowledge and it reclaims that person again. We teach “Be informed” & equipped!

Spirit of Ridicule

This level of understanding requires research (*Blog: Real Life Case Stories is a starting point*) investigate each level of oppressions we share (blog). If anything resonates then consider the Workbooks & join our Zoom Group Q & A.

The Q & A assist with investigation hidden in the spirit-world, from here we then offer One Full Day in The Courts of Heaven. This event is a big day and your attendance on Zoom calls makes your prep make sense & worthy of your time & effort.

If anything, make you feel overwhelmingly mad or irritated at our statement you definitely need to come because the irritation will be linked to an oppression spirit of ridicule and it may not even belong to you, it could be attached to a LHS or SRA. {LHS | Lingering Human Spirit SRA | Satanic Ritual Abuse that are bound into the DNA unknowingly}

To clarify this, recently a famous person in sport made a public statement that go them fired from their sporting role & ended up in court {on earth}. I was driving down the motorway one day & I was shown what was over them and how this was being used to ridicule not the sports person but his faith, and how this was legally achieved in the realms because in the DNA

an unresolved curse will be the open doorway. { Had they understood Courts of Heaven then the religious spirits voice would have been silenced & the compassionate voice of Christ would have been witnessed}

When we don't understand the supernatural & spiritual world, we live in then we get used and abused in ways that we can never imagine in life. For now in the DNA a thread has been established that will play out across future generations.

Spirit of Consumption - Addictions

I was with a family member when I received the word “ Consumption”. In that moment the person started to talk without reason about a Uncle who died young. His name was mentioned and gave me time to work through the evidence without raising alarms and causing harm to the memories of that person, now in the spirit world. (*Respect with understanding heals people with no understanding.*) I never use judgement as it brings more of the enemy into a person life. Therefore, teaching in person holds a greater amount of awareness.

The spirit of consumption is attached to drinking the same way Gluttony to food or even sex addiction and so many other topics. When dealing with alcohol addictions & gluttony these two are hidden deep inside the DNA and triggered off by any type of trauma. Find the reason, offer forgiveness, and remove the addiction. Now there are layers to this brief outline, please do not test this out without understanding some very important realms etiquette.

Spirit of Momo

Some will be familiar with this cartoon image. I can say MOMO turns up in peoples lives when they have no idea. *(this is based on old mythology or folklore see Trading key 15)*. What happens is the attachment is sitting on the couch or chair or in the movies with you. They see your trigger points *(in your body's response or verbal agreement)* then in your imagination / dream state they manipulate it to suit. This is how suicide starts not just with MOMO but this one simple example out of thousands we can discuss on the how and the why. At our live events is a time that we identify attachment, also during online classroom Q & A. Identification of attachments is key to breakthrough. The length of time in the presence of the Holy Spirit is important, this is why we have the Night Healing Court over three evenings. The longer time you spend in the presence of the Holy Spirit the greater the breakthrough. Clearing does happen, because the dark will not stand in the light, (don't be misled or confused of who is the light source as Lucifer was an angel of light) also as a collective we beam a light of HOPE that is undeniable in its source of truth.

(Look for real life story about Karyn meeting Satan, in a Church Healing meeting, where Satan was an angel of light! but at a closer look, it was not light, but a reflection of the healing Pastor blocking Satan and that reflection was coming off him he was nothing more than an angels made of "shiny blades / knives)

Spirit of Sinister & Hatred

These two are big issues in racism and general life. The findings once released changes people instantly. Racial discrimination in people is a big issue because it all stems from fear, and the owner of fear is Satan. Fear is at the base line of every conceivable ailment on the planet. Finding the issue legally through the Courts in Heaven blocks any form of interference from the power of the universe that is evolutionists believes is greater than creation. I can say that creation is my court room because it houses boundary lines. Our universe keeps expanding and no one has found the boundary line as yet. When you set your life without boundaries then you have no boundaries to block those that live in the universe that science can't quantify. A little like going in buying something blind thinking you are buying a house instead you are buying a rats' nest.

Spirit of Rebellion

Vertigo is attached to this situation. Now I could compose hundreds of pages, but I can say by personal and professional experience this one is attached to what many would say the “Grim Reaper” the “Angel of Death”. There is a specific story inside the (blog) real life stories about this type of Spirit, they will take you out of your work simply by not allowing you to stand up because either vertigo will drop you to your knees.

This level of attack is on the rise and no pill is a complete clearing they come back just when they know you are on the verge of a big deal, a big break through or when you are completely or feeling completely shattered and you can't go on!!

They are mean and unrelenting in their attacks; again, I host personal stories and professional evidence to tool you up on identify and removing these principalities at a professional level.

Spirit of Lunacy – Lunatic

A state of being a lunatic; insanity. Tic: A repetitive movement that is difficult, if not impossible to voluntarily control. Tics can affect any group of muscles. The most common are facial tics, such as eye-blinking, nose-twitching, or grimacing. What happens is that the “soul” will have a hook and it will be controlled like a 1) fishhook 2) puppet strings These will have something to do with astrology or false constellation. It is hard to assess and say one thing as many options can be woven into the soul ailment.

Spirit of Behaviour in Children & XYZ ...

To undertake this level of investigation one only needs to look at life results. No matter the situation I guarantee that Oppression is in us all and ways to overcome hidden, through a wide variety of reasons.

All of that does not matter. What is important that you are open to understand how to gain more knowledge and then when everything makes sense to you then you can start to work through the layers of oppression in a bloodline connecting D.N.A Trauma to our life & lifestyle results.

Only this morning I was walking through a supermarket, and I witnessed four children and their mum. The mum at the checkout baby girl in the trolley three little boys running to get their treats what the mum did not witness was the middle child kicking very hard and with intent the younger child. In that split moment I saw the spirit of envy in the middle child. There is always more to the story, but briefly I can say that the middle child will grow into something that he is not meant to be but because a level of D.N.A trauma is in the bloodline he has inherited the traits. My focus is that the family has living entity attachments and the parent who is struggling to control the middle boy will not understand how and why he is the way he is. Many times, I don't need to witness the action but for today it was evidence that sparked me to share so you can reflect on your grandchildren, your own life or your own children's life, your partners life, a friends life. This is how bullying take hold and grows into one level of violence. All oppression from the realms of the supernatural & spirit world unresolved bloodline issues.

This also applies for those who are serving time in prisons at any level the spirit of oppression is still inside no matter what therapy or treatment unless they are removed legally in heavens Courts they will appear into the next generation.

Spirit of Singlemindedness – Single men's Quarters

To understand the feeling of being left out

The isolation spirits

The feeling of living alone

Like a shepherd on a High-Country station the spirit of single men's quarters is active in people's lives without understanding the invisible symbols.

Spirit of Covid-19 & Lunacy – (Lunatic / Ticks)

Image #1 Pharmaceutical / people in white coats

Image #2 Witches in tag teams of pairs

Image #3 Bald-headed Org scared faced demons with overlapping stitched skin in the scar tissue ruthless unseen on earth before.

Motivation – leading into madness multi-faceted & directional

Image #4 Mad man behind “The Family Couch” while everyone was watching media. The mad man’s head was like the Corona Virus scientific image a round, ball with spikes coming out with the virus on the end of each. His role is to cause a more intense level of madness fear and arguments, his role is to create madness with those already at risk and then move on the next layer, by layer segregating people & knowledge into madness.

Spirit of EMPTIERS

Those drained moments or feeling like you have just encountered the “Throwing the baby out with the bath water” and you are the baby.

Kindred Spirit

This spirit is in technology, as an implant think of Osiris research him, and pray against his intrusion into your mind. Un-plug him asap!

Covid-19 Spirit Tag Team

My personal encounter with above.

Team #1 : Demon-onesies dressed in drag,

Team #2 : Demon-onesies dressed in drag

Team #3 : Demon onesies dressed in drag

Open encounter in March 2019 while house sitting for a friend, the spirit of DEATH stood at the end of my bed every night for 10 days

My ability to breath was lessening day by day

Clinching my hand to make a straw like shape & placing over my mouth to breath

Coughing was ripping my entire body apart with shaking inside and heat or sweat running off me while I was physically frozen.

The previous day I was well until I stopped at a Chinese restaurant to buy a quick fix meal as I moved my computer and items needed for the next 10 days. Once settled into my friend's house and animals feed, I took two mouth full of the food and felt a little off, popped the meal in the rubbish and thought tomorrow I better go to the supermarket. I was not feeling well at all, with the illness getting worse by the hour.

Summery, what I saw in the spirit, what I did in the physical and how I never took any VAX & why? How Covid-hit me from the spirit through food.

(happy to discuss, during Level 1 online classroom)

Use any of our prayers or decrees and make up your own but ensure you have researched extensively.

Another Category

Failing eyesight, this can be one of a voo-doo or witchcraft curse where someone has placed coins over the eyes of an effigy that they have placed on an altar in your name, then from that your eye may deteriorate over a period.

Karyn witnessed this in the spirit for a stranger, but she never shared with the person, because to a stranger it can seem so bazaar. But the truth is this is exactly what was happening to that person's health.

Resolution to the issue would have been prayer after a few questions to find the root cause. Never heal unless the root cause is identified, reason; so, the legality of the 2nd Heaven has no comeback. People MUST understand to receive the healing, so they have a choice to repeat, and replay based on the circumstantial of how the issue happened in the first place. (No truth no healing)

Note : when you research ancient demi-gesses & goddesses they all have a ritual and that's the key for identifying the curse. PS; we never speak about the person doing the act we first deal with the spirit-world handlers and then if and only if a chance happened to talk with the Human agents then we do with grace.

**Spirit of Lust & Confusion (Bella Orsi) &
Lesbos (Lesbian Spirit) + Siren Spirit & Asmodeus**

Personal experience is varied. One specific encounter is more about when praying over a person Jesus stood next to the person and said “Spirit of Lust” my face was in shock the people around me said you have something, and I said no, but yes but no I mean I need privacy to share the information

The person said no I can handle it, I disagreed, but in the end, I shared. In a moment I told them and boom I was not popular with anyone.

In my work I will ask before I tell you something that is difficult to expose, so if you attend any event, you will find many people will be pulled aside to shar intel and other share asked to always be respectful

I encourage you to follow Bella Face book page her material is accurate trustworthy and full of shocking revelation.

Spirit of Offence (Being Offended)

Tag Teams 101 Look Like This

This is a recollection a vision I encountered that lead me to decree the “Gang Stalker” Prayer from a book that I will share with you during any HYT Q & A or at Night Healing Court.

Encounter Points

1. A wooden door o from the spirit realm into my room
2. Mad scientist walked through first
3. 7ft+ Grey walked in behind
(photo evidence of what a grey look like is inside Real-life Stories)
4. An ailment appeared instantly in my body
5. A steel leg, my left thigh.
6. Unable to bend and with a heaviness in pain,
7. The metal was draining my energy
8. An instant feeling of overwhelming frustration entered my spirit that was impacting and manifesting in my physical body
9. Then a cut in my left foot appeared, between the toes next to my big toe
10. There was no reason for this to happen, but my physical body had been cut
11. In my sleep I felt like the toe next to my big toe was being pulled out straight
12. My toe that had been pulled hurt more than the cut
13. As the mad scientist (*in the spirit*) walked past me I knew he had caused the cut because he opened the door and ushered in the grey.

Summary

Earlier that day I had watched a clip of major trafficking arrests from around the globe. One was of a man named “ John of god” The clip I watched related to sex trafficking, Maxwell & Epstein. Now this clip impacted me because what I am about to share is my truth.

John of god, from Peru, was a Healing celebrity in New Age. I met his work through a friend of a friend. This lady had one of his healing lamps which she had saved up and bought, valued then at 10K. She had been to John of god several times for healings.

Then when I watched the trafficking clip and John of god being arrested for underage sex & other issues, I had forgotten that I had even entered a trade route with him. Even though I had never meet him, I had engaged with one of his franchises. *(he scammed many New Age seekers mainly women with his healing beds with crystal light)*

In the spirit world all they need is you to come into agreement, sign a questionnaire, fill in a form hand over money and you have entered into a hidden satanic agreement. It must be hidden otherwise you would not entertain it for one moment. That is exactly the position for thousands that are spun into or mesmerized into Modernism Practices. New Age Practices, Mindfulness Meditation, Access Consciousness / Barr's. The Get into the Vortex movement *(Abraham is an Entity)* and more, all which I have previously studied at varying degrees. *(Its been a long but completely worthy road of cleansing to achieve eternity freedom out of the hands of the spirit-world handlers into the arms of Jesus)*

You will learn more about what physical Trading does to life by reading through our many resources, on my website, PDF files, DIY Resources, Establishing Evidence, Heavenly Courts or attend one of our Q & A evening or Activation days where you will pull all this understanding together.

After this attack I remembered about I had completely missed repenting for this one act or trade. Sharing this encounter will help you understand that

when we forget stuff the Holy Spirit will bring it forward in our lives at the precise time to heal. How that looks is different for each person and scenario. It is so easy to think that we have dealt with things in the physical and its all good in the nonphysical. This example is proof that when something goes wrong in the physical, I instantly go look in the spirit world to see who has something against me. I am never fazed, with the why I just get on with the U.G.L.Y prayers

This is a good time to close the ancestral gates to hell!

“Gang Stokers” Prayer must be the most effective prayer especially if you are hit with familiar Spirits – email Karyn if you are under continuous attacks, this prayer is critical to apply.

The Apocrypha: Including Books from the Ethiopic Bible is the name of the title. By Joseph Lumpkin

Three U.G.L.Y Sisters Spirits

The trinity of three untidy spirits inside the consciousness of our soul

Herma's the Shepherd : Israel traversed the desert for 40 years because they were full of doubt when they only needed to be in the desert for 2 years.

U.G.L.Y sister #1 Spirit of - Anger & Temper

U.G.L.Y sister #2 Spirit of - Doubtful Mindedness

U.G.L.Y sister #3 Spirit of - Sorrow

Remember the fairy tale story of the 3 ugly sisters , they speak to the subconsciousness from a small child, Sorrow, Doubtful & Anger.

All a child needs is for an adult a friend a sibling to water this, and a life of repeating patterns & cycles commence until the "SPELL" has been broken

Learn about the balcony of Heaven or Spirit Witness in heavens Court Room interceding for you your children.

“SPIRIT Witnesses” INTERCEED INFRONT OF GOD! On our behalf, for the bloodline. Karyn will shed light on is whenever you are in Heavens Courts, not who is in attendance (this is not mediumship) but Jesus through the Holy Spirit delivers questions and those question you will know who is in the court room because you have known the person or the actions of a person.

Example when Satan is in the court room blocking the communications in any way, what he is doing is that he pulls out his version of a little black pocket notebook, how Karyn operates will shed light on this critical piece of information because it can hold the final thread to the reason or the anchor of a curse that needs to be repented for Freedom to come to the earth.

Holy Spirit, Identify in me & over me, all things illegally governing & restraining me that are known or unknown, seen or unseen by me. May the Courts of Heaven open my Books of Remembrance, through my advocate Jesus Christ my all names and situations used against my life, and used against others' lives, let all names where forgiveness is required on my behalf, let these names be brought forward into today's proceedings as I release & forgive all. Let the inner chambers of my heart & life be healed in a manner I will understand, let others also feel the healing presence of the Lord, let forgiveness be our mantle for present and future generations, I decree & declare the truth & the power is in the resurrection & the healing power from the blood of the lamb.

Unforgiveness Genealogy Lies You

Generational Curses

Holy Spirit, because of the gaps in my bloodline, many bloodline actions stand against me for I only know what I know. I have decided to come before my Righteous Judge in Heaven through the bloodstained door into his Kingdom & Courts in Heaven.

Holy Spirit: I have come to understand that unknowingly many past generational actions will have hosted open doors leaving a pathway for our adversary to enter my life, thereby placing my physical life under duress from the invisible realms.

It is with my authority I seek my advocate. The Lord Jesus Christ of Nazareth, for it is he that will set me free & his blood that will heal all soul wounds. In doing so he will also set my bloodline free. It is his knowledge that I seek, for my adversary does not play fairly, therefore I seek 4 generations back from this moment.

Holy Spirit, at this time I acknowledge many of my ancestors have lived outside the boundaries of scripture & the covenant of the Lord, therefore their actions will be hidden & manipulated behind VEILED & OPEN doorways, allowing the kingdom of Darkness into my life, mostly unknown & unseen by me.

Holy Spirit, today I seek through the Bloodstained door, The Lord Jesus Christ to go all the way back to the seed of creation, forward in time, back to this exact moment in time, space & reality on behalf of my bloodline, because my life's evidence holds specific meaning through patterns & events, situations & circumstances that are cruel, unkind and are not of God. Some I sense are blocking my purpose as I serve God.

For these things I say through my advocate, The Lord Jesus Christ, I come into agreement with your words and seek your council, may you take my petition on behalf of my bloodline, all the way back to the seed of creation, forward in time, back to this exact moment, cleansing us all, freeing our mind, will and emotions, unveiling our shackled hearts by identifying & loosening the ice walls and steel doorways that our adversary has lodged into our lives unknowingly.

The Lord Jesus Christ take all Akashic Records in mine & my bloodline names, take all their false doctrines and teachings, all witchcraft, secret societies and false governance, all things known or unknown, seen or unseen, across all time, dimension, space & reality, take these findings into the 5th Realm of God and smash all Akashic Records, so full restorations and re-establishment of Gods truth can speak on our behalf. Let the blood speak for us, ensuring our destiny is known to us in full faith as bond servant of Christ.

I say I lay my life down in front of you, The Lord Jesus Christ, I lay my life down in front of my Righteous Judge, I lay my bloodline's lives down, for it is in your Court Righteous Judge; seeking reconciliation to my actions, others actions & my bloodlines actions recorded against us. Righteous Judge, through today's proceedings I Repent for all because I know you know more than I. I know it is your Love for us that breaks us free & I come to you on this day with my Free Will seeking your Justice. May the blood cover my life from this day forward in a manner I will understand, may the blood be present in the eyes of our enemy.

Lies

Courts of Heaven, Court of Appeal, Righteous Judge, I come to you for in my life, I see lies that are still being used against me. I have been into your Courts in Heaven & I have Repented over issues, yet today I find that some topics are still being brought against me. For any of these situations I am calling on my tithing as my witness to say I stand in your courts with full faith, that from the day I believed I have been faithfully tithing into your Church or Ministries, I am legally covered in the Blood of Christ, for my baptism is my evidence. All these things I bring into your Court of Appeal, rendering all sowing, so I may reap your rewards of my truth, not that which my enemy says is against me.

Righteous Judge I call on my advocate, The Lord Jesus Christ, to speak and for my Books to be re-opened and for my purpose of your will over my life to be read out with clarity and conviction so all may hear what you have recorded about me, that which is your destiny for me and that which we discussed before I came to this life, that which I trust & that which I will no longer be separated from, because I Love God, I Love The Lord Jesus Christ, let the 7 Spirits of God Speak on my behalf.

Unforgiveness Genealogy Lies You

You

U.G.L.Y is all about you.

Your Life Governing actions,

Other actions against you across all topics of your life.

Your DNA's snail trail of unforgiveness, sins, iniquity, transgressions, unfulfilled agreements, broken covenants; the list is long and interesting while different in complexity, always similar for most bloodlines across the globe.

The 2nd Heaven desires you to stay & live in veiled or hidden witchcraft. The way to identify the traits of witchcraft are through you or someone in your life who has walked in any of these ... bitterness, unforgiveness, guilt, shame, unworthiness, entitlement, acceptance that bondage is ok, addiction, abuse, verbal death of self-others and DNA. Along with fear or worshiping the dead. (those that have past)

A question for you; for the soul never dies then death is not a "THING"!

The 2nd question. To go to Heaven, Jesus is the only way to the Father, as Heaven is his! Because Heaven does not belong to demi-gods, goddesses! So where does the spirit-world reside? And is anyone you know destined to that battle ground?

Upon understanding the above, your life will walk in peace, your soul will be in peace and the spirit-world will be no longer be in your trichotomy management team!
