Trading Key #9 **Divorcing Companion Spirit**

Without judgement, this spirit attaches through various lowliness situations. They may be in a shed waiting for someone to have melt down physically or in a dreams state in a tent, caravan, or cabin while away on holiday. These spirits turn up in bars, all the way to one-night stands. This one came from a tramping or hunters' cabin from in the mountains.

They bring into your life situations that would not normally happen your life seems to be rocking along nicely then a load of situations turn up.

They become filled with a feeling of bitterness because of something that turns out not how you expected and then out of nowhere patterns of disappointments appear into your life keeping you isolated, and you have no reason as to why?

They will create a sense of selfishness, meaning they want you to themselves. They will drive away relationships, leaving you second guessing yourself, everything seems harmless, but this spirit world entity is extremely territorial, like a cat spraying its territory, they will claw at your soul through relationship destruction, leaving you in a inner mess of confusion.

Note you can pick these entities up even at a mall or at the movies.

The Lord's Prayer: Personalised Prayer Statement

Establishing Evidence

This is one example of how to start the process of pulling Heaven into your earthly environment. Take this prayer and work with it to make it your own. Let the Holy Spirit infiltrate your world and all that has stuck to it in the supernatural.

Become more effective with accessing & receiving revelations from Heaven by waking to the symbols around you. Think about the story of Jacobs Ladder Genesis 10-22 (Jacobs Ladder). This is one of the ways to get our communications directly into heaven without the 2nd Heaven interference through ascension. {Speaking in Holy Spirit tongues is also a weapon.}

Take time and insert your own words in the gaps making a statement as if you are standing in front of God, this way you can personalise your situation, make each statement short in 3 – 5 words maximum or speak in tongues to be more agile in the spirit. Think of God as your Father, Friend, Judge depending on the degree of affliction you are going through or trying to get freedom from. Be honest because He already knows. He is waiting

for you to release yourself so then He can step in. He never oversteps His (authority) Free Will He has given us.

You will see we have also offered Psalm 91 as a personalized prayer tool; if you were once atheist/ agnostic just give this a try and keep at it. As a seer in all things supernatural Karyn conveys that everyone has a “Gut” feeling of truth in you and it is trustworthy. If nothing else follow that, trust it and ask a few times for God to reveal that it is him and it is truth! You know you, better than anyone else. Trust what God says or shows you in your daily life, guaranteed evidence will show up and feel free to message Karyn with your experience. A quick not on FB Private message is welcomed.

Take note of evidence and record on your evidence logs. As you work through each trading key you will build a file of information. You may even go back to those notes several times. For tracking & tracing please record dates of your encounter giving yourself enough info to jog your memory at a future time.

Poetry In Warfare

With Psalm Battle Plan you need understanding how to apply. Steps look like this.

- 1) Establish evidence.
- 2) Record your evidence-on-individual evidence logs.
- 3) When making your declaration with any prayer apply or insert the Psalms verse that fits

(stopping and starting is good, never be conscious that things are not perfect because they certainly were not for Karyn)

Note: Karyn has seen things literally blown up like massive bombs ignited in the spirit world, crazy but good! The truth will be when issues resolve themselves in the physical. Then you know our God of creation is in it to win it with you! You are grafted in and in the walls of his family.

Declarations are about the position of your heart. As you read your spirit will check your heart into places that you through have already been healed, from old stuff or your heart will flip like “woo hoo” I thought that issue had no hold over me. Which means your soul just got a Heavenly Shock Wave of Goodness!

Regarding the Psalms, who ever thought or said poetry was not a weapon!

How to Use Scripture in relationship to Breakthrough

Father God, I want to state our case

Father God I come into the ancient court of the War Room & Lord I state the case *State your name & your case that you may be acquitted*

The word says in Genesis 12-3

Father The words says in Genesis 12:3

The seed of Abraham out of Zion, your words says

³And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.

(Genesis 12:3 Context : ¹Now the LORD had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee: ²And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing: ³And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed. ⁴So Abram departed, as the LORD had spoken unto him; and Lot went with him: and Abram was seventy and five years old when he departed out of

Haran. ⁵And Abram took Sarai his wife, and Lot his brother's son, and all their substance that they had gathered, and the souls that they had gotten in Haran; and they went forth to go into the land of Canaan; and into the land of Canaan they came. ⁶And Abram passed through the land unto the place of Sichem, unto the plain of Moreh. And the Canaanite was then in the land.)

I will bless those who bless you & I will curse those who curse you. And Father God, we repent for that curse that came through those in governance of our country passing laws allowing for the unborn child to be unprotected, all those who have cursed our land saying and decreeing & coming into agreement of the Abortion Bill & agreeing with Baal sacrifice of ancient times, sacrificing our children.
