Establish Evidence through 32 Trading Keys' Healing Assessment Decrees & Prayers

In 2020 I was asked to go in a volunteer group that assisted in Tracking & Tracing Victims of Trafficking. During the introduction period of being introduced to this unique group of people (*who don't leave home to assist*) One of the key leaders prayed over the group, on a personal level for the team. At the end of this session I knew I needed to get the book, and that is how the following material came into my hands.

I use these books every day with clients / case files. I use them for myself and I apply to my teachings by sharing the material with others.

Now for me I see my Trading key material, Resources, Research, Prayers & Decrees as High Schools and in some instances, pre-school stage, & this book at PHD stage.

For me as a brand new Christian & from coming out of New Age, it humbles me that people like Mr Deval has spent a lifetime of understanding the spiritual world. It is extraordinary how God has brought about such great teaching and communication readily available for those who look, and are hungry to set the captives free.

However for a brand new believer it is essential to build a foundation of understanding in the spirit world and that's what my goal is, to assist you and stand with you as you embark on understanding the invisible realms. It is my hope that you purchase these two books for your self and for the completion of the Trading Keys, if this is unachievable financially for you then please reach out to our office as we will assist where the need can be met. The constellations & zodiac host a verity of issues, in the realms. Think along this line. As many will understand as you sit in a waiting room of any professional service there will be a stack of magazines. Innocently in the back some will read their horoscopes. Now look at the word “Horoscope” and think what it is saying to you. So many ancient witchcraft and satanic symbols sit in plain sight. Example you view the movie Eyes Wide Shut and then research the meaning from a satanic perspective and you will automatically go from this is not art this is satanism at it veiled core. This is my perspective not a statement of the actors but of my interpretation of what it meant to me in the supernatural & its impact on earth.

Freedom from Zodiac System is linked to various behaviour issues in children, is one example. In series 6b Q & A we will discuss & demonstrate how we unknowingly give opportunities for the Spirit World to walk through pen spiritual doorways just by reading a horoscope innocently that then are assigned to your DNA that are not for your benefit as promoted.

There are more than 88 constialtion in the zodiac system but we will start with these and what ever is presented on the day we will add in. In your book that I hope yo have purchase dplease go and number 1 -88 starting with the first one on the list to the last. The numbering will make it easier when making a group decree.

Example, because I live in New Zealand Mythology plaed apart in a womesn experience that linke dinto Moari Mythology, in turn she has a nervous twitch in her face, the process that we endind up takeing removed that thwitch and this was identified through one of the constialtion but linked intolocla mythology. Holy Spirit is brilliant at sharing the most insignificant to another but massive to the person who is in the situation, Prais eJesus for the revelations. This is what his blood does fo ryou and that is why he died, he knows the enemy is a leaglaist and Gd knows his own laws. (especially for those that are not saved) like I once was,in comelte arogance and ignorance, I thought I knew, but I actual lnew not a lot at that time, very different today. For my spirit in the spirit world holds Power and lauthority, I know it and the enemy knows it and that's what they don't ownt you to work out! Lvaing generational bondage.

The process we will do as a group first we start online, and eventually we address in group court. It's a massive event but so great in breakthrough revelation, after revelation. Conquering back your power & authority legally and with wisdom by experience that no one can take from you, because you just know!

Remember you are prepping for Court this is a very deep understanding and clearing. Suggestion do not over think and never be fearful be expectant & excited for your breakthrough a better way to spend your emotional energy.

Advanced Prayers that Shake Heaven & Earth

Freedom from Zodiac System

F.Y.I

Adapted Outsourced Resources

Lord Jesus,

I renounce and repent for all those in my family line and me, back to the beginning of time and from Adam and Eve forward, who entered sexual sin and/or engaged in sex outside of marriage, which appears to cause your design for the Mazzaroth to go out of alignment. I acknowledge that this has prevented the blessings of the Lord from correctly coming down the family line and being dispersed among the stars. I acknowledge that the enemy has used this energy for nefarious purposes rather than for the purposes of the Lord. Please disconnect my family line and me from these dimensional zodiacs; rightly connect me to the dimensional Mazzaroth in righteous alignment that extends throughout Your dimensional creation.

Lord,

I repent for ungodly joining to any other person or thing that has interfered with my righteous joining to You. Please remove all misalignment and

ungodly joining and join me to You so that I am no longer fractured and am one, complete spirit. Please align me to You and establish my paths to align with Your Ancient Path; make this path straight so that Your life flows through me.

In the name of Jesus Christ and by the power of His blood, I renounce and repent for all evil that has caused my family line and me to be disconnected from both the land and the God-given electromagnetic fields of the earth.

Father,

forgive us for committing sexual sin on the lands in which you have positioned us. I repent for giving our hearts over to the enemy and allowing him to gain control over the electromagnetic fields, thus allowing him to ravish our hearts to the point where they are not connected to Your heart. Forgive us for allowing the enemy to usurp Your glory, and for giving the enemy the worship he longs to receive.

Father,

I repent and ask Your forgiveness for any ungodly trading, and for seeking prosperity and protection from anyone or anything other than You. I confess that You are the source, but we have sought these things from the enemy through ungodly trading. I also renounce and repent for placing our security in the desires of our flesh rather than in You.

Father,

forgive us for sacrificing our children through our selfish desires and for contaminating the land with their blood; forgive us for aborting children, as well as for shedding their innocent blood and sacrificing children in the fires of Moloch Please retrieve all scattered spirit and soul parts entrapped in the ungodly depth, ungodly deep, and the dimensions within dimensions. Sever all connections between the ungodly star, Rephan, and us. Please disconnect me from all ungodly dimensional zodiacs that has been affecting the electromagnetic fields. Please disconnect my heart from every ungodly star, star system and constellation where I have been entrapped.

Lord, please:

- Forgive us for giving way to seductive and enticing spirits, and for seeking counsel from the ungodly council instead of seeking Your righteous counsel
- Disconnect me from any ties, chains, and ropes that have attached me to the ungodly council, and remove the evil consequences of those attachments
- Perform surgery upon my physical heart and remove all ungodly electromagnetic fields
- Disconnect me from all ungodly powers that have been fuelling this ungodly activity; retune and recalibrate my heart to synch with Your heart
- Remove all ungodly worship of the enemy in my generational line
- Destroy all ungodly walls that were erected because of sin on the land, which have blocked my family line and me from other people

I now issue a divorce decree between myself and the enemy. Lord, as I am now being disconnected from all ungodly dimensional zodiacs, please correctly connect me to the Godly Mazzaroth and marry me to the land.

I repent and renounce any partnership with all ungodly thought/belief systems and for acceptance of that which is not true. Lord, please release me from selling out to seduction and false mindsets.

I repent for all of us who gave away our authority over the land in trade for prestige, power, and comfort. Please restore our rightful authority over the land, dimensions, grid, and the elements so that You can again be properly glorified. Please remove and erase all glory that has been given to the enemy through the generations, and return that glory a hundredfold to You, the true-and-living God.

Lord,

I now ask You break, shatter, destroy, and dissolve all ungodly magnetic fields attached to me.

Please release Your river to short circuit all ungodly powers, and to bring life and health to the land and to me.

Mazzaroth (Hebrew Transliteration: מַזְרֹתִים Mazzārōṯ, LXX Μαζουρωθ, Mazourōth) is a Biblical Hebrew Word found in the Book of Job and literally meaning a Garland of Crowns, but its context is that of Astronomical Constellations, and it is often interpreted as a term for the Zodiac or the Constellations thereof. (Job 38:31-32). The similar Word Mazalot (מַזְלוֹת) in 2 Kings 23:3-5 may be related.

Breaking Influences of Fallen Sons of God Over a Family Line

F.Y.I

Adapted Outsourced Resources

In the name of Jesus Christ and as a representative of my family line,
I repent for not coming into agreement with our positions as sons of God.

I repent for any actions that corrupted our faith or contaminated the inheritance we have through Jesus Christ. I repent for employing legalism and religiosity or for trying to make the law our guardian.

I repent for participating in activities that agreed with the fallen sons of God or other evil entities. I repent for participating with, or allowing influence from, the fallen sons of God or other evil entities.

I repent for wasting resources and for being poor stewards of time and energy by focusing on conflicts and arguments, rather than pursuing Godly unity.

Lord, I confess that many of us have:

- Taken unrighteous vows and made covenants against each other and against You
- Forced other members of the family to join into ungodly alliances, which furthered the disunity and caused internal wars combating one another in a familial civil war
- Lied about and/or slandered other members of the family.

Lord, I repent for:

- Any way that I have ignored, condoned, or actively participated in this
- Not coming to You to verify accusations that were made against us and against others
- Every time I aligned with the enemy because I was angry
- Every time I strategized regarding any break in the family that could benefit me instead of grieving and praying it through

Lord please:

- Remove all records of wrong that are hidden in the ungodly libraries that are in the ungodly heavenly places
- Bring spiritual, physical, emotional, and relational healing to my family and my extended family
- Remove the ungodly council of fallen sons of God over my tribe and family
- Position my tribe and family correctly in the Kingdom of God and the Kingdom of Heaven
- Remove the distorted family timeline and place my family and tribe into your Kairos time

Lord,

for my life and family line and the lives of my descendants, I ask that you now remove all impacts that resulted from discord and disunity. Please remove all blockages or distortions of blessings that were meant to come down our family line.

Lord,

please heal and set us free from infirmity, loss, disunity, disfavour, heartache, sorrow, depression and anxiety. Please remove any negative affects against the land.

Lord, please heal us from distressing thoughts and loss of sleep.

Lord, please restore our Godly inheritance.

Lord, please bless my children and all future generations with the benefits of these prayers.

Soul Fragments Through Trauma

F.Y.I

Adapted Outsourced Resources

UNDERSTANDING the FRAGMENTATION of the HUMAN SOUL.

By Pieter Kirstein

This is a very interesting topic which few understand yet it's a major problem area within the lives of many people.

I'm going to teach you by God's Spirit about alter personalities or splits and fragmentation within the mind and emotions that is caused through severe trauma, hurt and pain, various forms of abuse and shock inflicted upon the souls of men.

I, suffered severe abuse and much trauma as a child and was sexually molested. God is love and we were all pulled out of the core of His nature which means love birthed us. We were created to respond to love, but we are born into a spiritual war that is invisible to the natural eyes of mortal men.

Anything that does not originate out of true love is not of God. When we are verbally assaulted and physically abused by those around us we suffer satanic trauma that can cause the human soul to fracture.

There's an inward protection coping mechanism created by God within the human soul to protect us and help us cope with the traumatic experiences of life.

When the soul fractures because of severe trauma or abuse a split or alter personality can develop that helps us deal with the event but then that anger or rage gets deposited into the alter and it becomes a demonised traumatised

piece of the human soul. We sometimes release anger towards others because of hurt inside of us.

Dark evil spirits are always involved in such cases and they take us captive through these places or fragmentations of pain and hurt.

These alters are not demons that can be cast out. They are traumatised pieces of the human soul that helps core-being to cope and deal with trauma and abuse.

This is what Isaiah 61 talks about because it's God's ministry towards broken needy people.

1 The spirit of the Lord GOD is upon Me; because the LORD has anointed Me to preach good tidings unto the meek; He has sent Me to bind up the broken-hearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound.

Also Isaiah 49:22 Thus says the Lord GOD, Behold, I will lift up My hand to the Gentiles, and set up My standard to the people: and they shall bring your sons in their arms, and your daughters shall be carried upon their shoulders.

23 And kings shall be your nursing fathers, and their queens your nursing mothers: they shall bow down to you with their face toward the earth, and lick up the dust of your feet; and you shall know that I am the LORD: for they shall not be ashamed that wait for Me.

24 Shall the prey be taken from the mighty, or the lawful captive delivered?

25 But thus says the LORD, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contends with you, and I will save your children.

Isaiah 51:14 The captive exile hastens that he may be loosed, and that he should not die in the pit, nor that his bread should fail.

15 But I am the LORD your God, that divided the sea, whose waves roared:
The LORD of hosts is His name.

16 And I have put My words in your mouth, and I have covered you in the
shadow of My hand, that I may establish the heavens, and lay the
foundations of the earth, and say unto Zion, you are My people.

Years ago, when the Lord was training me in His deliverance and inner
healing ministry, He sent me to pray and minister by His Spirit to a 48 year
old lady who had 10 personalities and suffered of severe headaches because
of the splits in her.

For just over 2 hours I witnessed the Lord ministering healing to her
fragmented soul, and I spoke to each one of her alters or splits.

They are part of the core being of a person but are all demonised and need
to receive Christ as Lord and Saviour as well because they do not know
Jesus and don't know what love is. They did not ask to be there nor ask to
be abused or traumatised. They are all the result of vicious satanic attack.

Then you ask the Lord to come in and reveal Himself to each one and you
must make friends with each alter personality because they need to see that
they can trust you. It's like building a bridge of trust between you and each
one.

Like with that lady God led me to call each one of her split personalities
forward to ask them questions about what happened to them.

The first one was a 4-year-old little girl who had to witness how Satanists
murdered her best friend on an altar.

Then by the guidance of the Lord I had to explain the truth to her and to
sympathise with her to win her trust. Then I told her that she is going to be
OK and safe and does not have to be afraid any longer because Jesus is
here to help and to rescue her and He is God and will deal with the demons
that held her captive. She accepted Christ and chose to forgive the people
who had murdered her friend. Jesus delivered that 4-year-old fragmented

alter personality and then I had to ask her if it's OK if Jesus integrated her with core being so she could be healed and rest and she agreed.

When God heals and integrates a split in the human soul like that then He removes the demons involved and heals them of the trauma and the pain. It's such a beautiful wonder to behold. Then that event that caused the damage becomes part of core being's testimony. They remember what happened but without the pain.

Then at one stage as I worked with God through each one of her personalities, we met a 16-year-old young girl who had 2 abortions. As I first befriended her through the Lord's compassion, and she knew she was safe she told me she slept with many men because her parents were always too busy with their friends, so she felt rejected, and Satan gave her false love through lust.

Again, I had to tell her about Jesus and God's salvation plan through His Son and that she does not need the lust any longer because Jesus wants to heal and set her free. There was a spirit of death inside of that split and a spirit of abortion and she had to repent of murder and renounce the blood sacrifice of her children. The soul ties had to be severed by the Lord and she had to forgive herself to receive God's forgiveness.

Jesus again cleaned up and healed and delivered that 16-year-old girl inside this 48 year old female and again I first had to ask her permission to be integrated with her core-being and she agreed. It's so amazing to witness the transformation and healing of each alter until the entire soul is made whole.

When we are sexually molested or experienced various forms of assault or trauma or abuse then we develop these soul splits or alter personalities and through prayer counselling each of them needs to be healed, delivered then integrated by the Spirit of God.

Therefore, many people struggle with strong addictions or rage and bitterness or deep-rooted anger or self-destructive behavioural patterns and

many other various kinds of demonic afflictions and emotional torments that they struggle with.

When a child is abused at a young age it will cripple their entire life as they become older and many times, they will not be able to cope with the various pressures of life because they have been emotionally raped or tormented and were never allowed the opportunity to mature and develop emotionally and then they can form various destructive coping mechanisms within themselves like becoming addicted to drugs or alcohol and sexual lust as a form of self-love.

It is important to go before the Lord in prayer and to ask God to minister healing to the fragmented soul or all the different split personalities.

I used to have many little angry, raging abused boys on the inside but through a 8 yearlong battle God healed and integrated them all and today I am free indeed and am experiencing much joy and peace. Jesus delivered me completely of all sexual lust as well because many of those abused little children inside of me were bound by masturbation, rejection and lust and I testify to the body of Christ that indeed he whom the Son sets free is free indeed.

A suggested prayer; *(this is the original prayer form this article)*

Father I come to Your throne of mercy and grace today and frankly God I don't know the brokenness and condition of my soul.

Lord Jesus I ask that You start to reveal if indeed there are splits within my soul and my mind because of abuse and emotional trauma which I have suffered.

I ask that if the enemy has placed any blocks, walls, barricades or strongholds or emotional coping mechanisms and destructive programming on the inside of me that Jesus You would come and expose all of it.

I as core-being now take authority over all these works of destruction and darkness and I choose to forgive myself and every part of me and their perpetrators and abusers and release all to God in Jesus name.

Father by faith in Jesus according to Isaiah 61 I counter petition Satan in the courts of heaven for every fragmented abused part of my soul and by Your Spirit and authority bring all of me and all parts of me under the power and authority and the ministry of the righteous blood of Christ.

I now ask that You command as many warring angels as are necessary to go out and be sent to release and deliver all parts of me wherever they are bound, restrained, locked up or kept in bondage within Satan's Kingdom in Jesus name and Father by faith as I intercede for each broken part of me I now choose to renounce and release to Christ all of the

abuse, the anger, the deep rage, all of the unforgiveness and bitterness, all of the witchcraft, all of the deep rooted lust, all of the spirits of self mutilation, self loathing, self hatred and self rejection, all of the lies and spirits of self accusation and self destruction and all of the disappointment and also all of the destructive patterns and behaviour through the various emotional coping mechanisms in the name of Jesus.

Jesus please come and heal, restore and deliver me and bind up all of my brokenness. God I break every curse spoken over me by any of my parents and the persons who have hurt me and I also choose to break and renounce all of the agreements I have made with the kingdom of the enemy.

I now speak to every part and split inside of my fragmented soul and I say to you Jesus has come to help and heal and deliver you and He is God our Savior who died for us on the cross and He loves you all very much. You don't have to be afraid anymore because Jesus is stronger than all.

I as core-being ask that you all accept Jesus as Lord and personal Savior and allow Him to clean you up and integrate you with me so my soul can be whole.

Father God I choose to expose my entire life to You and all parts of me and I claim them now all back in Jesus name and I ask that You fill all parts of me with Your holy love and that the Holy Spirit will fill all parts of me and seal them of by the power of God.

I declare a spiritual divorce before God's throne between every part of me and the strongmen or ruling spirits that held me captive through my pain and brokenness in Jesus name. Jesus You delivered the guy who was demon possessed in the country of the Gadarenes as recorded in Mark 5 and I thank You God that now do the same for me.
