Trading Key #10a **Divorcing Ancient Giants & Tribal Curses & Councils**

Overshadowing can start from a parent overshadowing their children, micromanagement of a boss, or school friend. There is a lot of material in this Trading Key. Try to not over think and use this on multiple situations. Do not do it all at once look for the keys of what each tribe represents. (*Note: an over shadowing parent can also transpire into “Mother Witch”*) Inside Real Life Case Stories you will read about a clients Giant Handler, why this person held so much wealth in the world with exactly same amount of dollar value in relationships. Trading is Trading the difference is how the un-seen are manipulator traders. They always wont more back than they gave in the first place. With some the payment recall is the flesh which accounts for some early deaths. (*They are soul traders in reality!*) We just do not like to consider this to be a fact of the human trichotomy.

1st Profiling – Kenites (Ken-its)

- *Self-defence mode, feeling like I am always on the defence or mechanism of defending my position or point of view, wherever I find myself being very self-vocal not physical.*
- *Focused on issues with no reprieve in thinking, no ability to switch to solution mode or solution-based action.*
- *Feeling of continually being like a boy racer, spinning all the rubber off your tyres, going nowhere but burning up energy like no tomorrow.*
- *Keep you focused on problem after problem. It is a circus, and you are not just the ring master but the trained seal and clown act. Everyone is seeing the obvious, but no one holds a solution to an invisible giant of a problem.*
- *Keys: False Allegations, unfounded accusations, bullying tactics that come out of others that have no foundation, lies, fabrication, innuendos.*

Approaching the Judge – Kenites (Ken-its)

Lord, I am asking about **Kenites (*ken – its*)** involvement and any control they have, overshadowing my life path and journey. History tells us that this ancient tribes’ energy of **Lies – False Allegations - Fabrication – False Results** is in some way overshadowing my life. The evidence and stories I am about to share are true situations affecting my life results and I have come to you today to ask for you to legally remove the **Kenites (*ken – its*)** Ancient Tribes off my life because of

Story 1 _____

Story 2 _____

Story 3 _____

Lord I, (*All known names used by you*) _____

1. Have a complaint to take before your Court. THIS MATTER IS OF PRESSING IMPORTANCE TO ME, Lord I am asking.
2. The evidence and stories I have shared with you are repeating in my life and I must seek you out and claim understanding of your Justice over my life. Today I share some current physical and personal evidence that the evil one is blocking blessings in my life, through existing soul wounds. I am unaware of that they choose to manipulate against me. This may also be extended to my Immediate Family's lives and may also be affecting the lives of other bloodlines members, unknown to me at this time, even affecting unknown souls trapped behind the enemy's veils.
3. Lord, I have presented evidence of this unlawful, vindictive, and malicious behaviour. How the enemy have been deceitful in their tactics and have just about taken my life, joy, peace, and prosperity away from me, leaving me with a feeling of hopelessness. Yet I know you have not forsaken me; I know this in my heart.
4. Lord through my actions in Heavens Courts and Councils to date,
5. *I have Repented through numerous counts of Sin and My Moral Failings.*
6. *I have Repented through numerous counts of Iniquity and My Bent or Crooked actions that have come out of wickedness and Sins.*
7. *I have Repented through numerous counts of Transgressions, Breaking Trust with others.*
8. I have Repented across numerous counts of Bloodline and Generational Soul Wounds, across self-created curses. Also curses inflicted by others against me, including all I have identified to date, a wide variety of bloodline curses I have inherited through my genealogy. Lord I have taken heed to your words, and I have repented all the way back to the seed of creation.

9. Today, Judge, I approach you not for Grace and Mercy but for Justice. For I know The Enemy is unrelenting because specific KEY RESULTS are not showing up in my everyday life. I know this because I am continually dealing with repeating events, patterns, and situations, even when I have previously applied my Highest of Intent and your teachings and your word to these events.
10. I know I have Repented; I know I have stood before you on these subjects before, I know I have been given a positive verdict, yet I find myself in conflict and being blocked from my blessings showing up in my everyday life.
11. I understand that Justice is my salvation through the power of the Cross, and you are the Judge of all things righteous. I trust everything that comes from your bench is true and correct.
12. Righteous Judge avenge me of my adversary in these matters for I have turned from my wicked ways. I hold wisdom and knowledge and I know you know I am seeking you more than ever before in my life.
13. I know you know more than I. I know you hold the Scales to my Truth and Justice. I know I have a legal right to stand before you and ask for Justice from your Court regarding all matters, I have quoted to you today.
14. I know my enemy is also known to you, therefore Judge, I bring to your attention my findings for I have been awarded vindication before this day, yet my enemy is unrelenting in these areas of my life.
15. Righteous Judge I approach you for final vindication and I want the Evil one to stop. Not just him, but anything attached to him. Any alliances that work on his behalf, specifically the Giant attached to ancient tribes of **Kenites** (*ken – its*).
16. Righteous Judge stop their false allegations, lies, deceit and underhanded attempts to derail or destroying my life purpose, my dreams, my lifestyle that I choose to work for. Stop them from blocking your provisions and your vision you hold in my name

recorded in my scroll in heaven as discussed before I came to this life. Righteous Judge remove the Giants and my enemy's ability to have any cause or effect in or over my health and wellbeing, over my lifestyle and life rewards through my actions, for I know you know my truth and my justice is in your hands.

17. With full faith I acknowledge, Jesus is Jesus, and the events of Calvary are true and correct. I wait for your verdict and confirmation on these matters at hand and urge the importance of timing is critical to my performance and my service to you Lord. Again, please avenge my name, my words my truth and my Justice.

In Yeshua's name Amen

2. Righteous Judge take these findings from the **KENITES**, back to the Seed of Creation and shake free THE Tribe of the **KENITES GIANTS** from my family's tree and my daily life results and rewards. 5. Righteous Judge **release these promises** along with anything stored in the strong man's trophy room, in mine and my bloodlines names, for we have bound his hands-on numerous occasions therefore we legally can retrieve our spoils instantly, without delay.
6. Righteous Judge we seek our rite through the power of the blood that our enemy **MUST** be brought to Justice on our behalf, in your court today across all Time, Dimension, Space and Reality, across all Dominion and Kingdoms, all Universes and Realms, all directions, elements and seasons, across all words, deeds and contracts, all structures of satanic commissioning, across all religious spirits past and present, all forms of demonic forces, known or unknown, seen or unseen, across the stars of the universe all the way back into our physical life and lifestyle on earth.
7. Righteous Judge we call you to renounce our association with the enemy and remind them of your judgment and authority over them.
8. Today I am called to seek you, **FOR YOU ARE OUR JUST JUDGE**, you are our **JUDGE OF RIGHTEOUSNESS**, for your word is pure and I trust my actions have brought light on my situation, for your Judgment will change my life results once and for all.
9. In full faith I honour you Judge, I say, let your anointing be transparent, let your words speak through those who have oppressed me, let them now see your truth and effects upon my life appear in every area previously crippled by The Tribe of the **KENITES GIANTS** known as the enemy.
10. Let those who have blocked me be removed. Let that which has previously shackled me be removed and let the Healing from Jesus's Holy Oil be poured out across my life results, bearing witness to my truth to my fellow man, that the light of the lord lives not just in Heaven but upon my life. As I walk these findings out through the Throne Room of Grace and Mercy, Justice is served in authority of Heavens Words and actions.

9. In full faith I honour you Judge. I say let your anointing be transparent, let your words speak through those who have oppressed me, let them now see your truth and effects upon my life appear in every area previously crippled by THE Tribe of the **Hittites** GIANTS known as the enemy.
10. Let those who have blocked me be removed. Let that which has previously shackled me be removed and let the healing anointing of Jesus's Holy oil pour out across my life results, bearing witness to my truth to my fellow man that the light of the lord lives, not just in Heaven but upon my life. Approaching the Judge - Perrizzites

Lord I am asking about **Perrizzites** involvement and any control they have overshadowing my life path and journey. History tells us that this ancient tribes' energy of **Squatters, Apathy and Being Mentally Stuck In my Mind is** in some way overshadowing my life. The evidence and stories I am about to share are true situations affecting my life results and I have come to you today to ask for you to legally remove the **Perrizzites** Ancient Tribes off my life because of:

Story 1 _____

Story 2 _____

Story 3 _____

Lord I, *(All known names used by you)* _____

1. Have a complaint to take before your Court. THIS MATTER IS OF PRESSING IMPORTANCE TO ME, Lord I am asking.

2. The evidence and stories I have shared with you are repeating in my life and I must seek you out and claim understanding of your Justice over my life. Today I share some current physical and personal evidence that the evil one is blocking blessings in my life through existing soul wounds I am unaware of, that they choose to manipulate against me, this may also be extended to my Immediate Families lives and may also be affecting the lives of other bloodlines members unknown to me at this time, even affecting unknown souls trapped behind the enemy's veils.
3. Lord I have presented evidence of this unlawful, vindictive, and malicious behaviour. How the enemy have been deceitful in their tactics and have just about taken my life joy, peace, and prosperity away from me, leaving me with a feeling of hopelessness, yet I know you have not forsaken me, I know this in my heart.
4. Lord through my actions in Heavens Courts and Councils to date,
5. *I have Repented through numerous counts of Sin and My Moral Failings.*
6. *I have Repented through numerous counts of Iniquity and My Bent or Crooked actions that have come out of wickedness and Sins.*
7. *I have Repented through numerous counts of Transgressions, Breaking Trust with others.*
8. I have Repented across numerous counts of Bloodline and Generational Soul Wounds, across self-created curses. Also curses inflicted by others against me, including all I have identified to date, a wide variety of bloodline curses I have inherited through my genealogy. Lord I have taken heed to your words, and I have repented all the way back to the seed of creation.
9. Today, Righteous Judge, I approach you not for Grace and Mercy but for Justice. For I know The Enemy is unrelenting because SPECIFIC KEY RESULTS are not showing up in my everyday life. I know this because I am continually dealing with repeating events, patterns, and

situations, even when I have previously applied my Highest of Intent and your teachings and your word to these events.

10. I know I have Repented. I know I have stood before you on these subjects before. I know I have been given a positive verdict, yet I find myself in conflict and being blocked from my blessings showing up in my everyday life.
11. I understand that Justice is my salvation through the power of the Cross and you are the Judge of all things righteous. I trust everything that comes from your bench is true and correct.
12. Righteous Judge avenge me of my adversary in these matters for I have turned from my wicked ways. I hold wisdom, knowledge and I know you know I am seeking you more than ever before in my life.
13. I know you know more than I. I know you hold the Scales to my Truth and Justice. I know I have a legal right to stand before you and ask for Justice from your Court regarding all matters, I have quoted to you today.
14. I know my enemy is also known to you, therefore Judge, I bring to your attention my findings for I have been awarded vindication before this day, yet my enemy is unrelenting in these areas of my life.
15. Judge I approach you for final vindication and I want the Evil one to stop, not just him, but anything attached to him, any alliances that work on his behalf, specifically the Giant attached to ancient tribes of **Perizzites**.
16. Righteous Judge stop their false allegations, lies, deceit and underhanded attempts to derail or destroying my life purpose, my dreams, my lifestyle that I choose to work for. Stop them from blocking your provisions and your vision you hold in my name, recorded in my scroll in heaven as discussed before I came to this life. Righteous Judge remove the Giants and my enemy's ability to have any cause or effect in or over my health and wellbeing over my lifestyle and life rewards through my actions, for I know you know my truth and my justice is in your hands.

17. With full faith I acknowledge Jesus is Jesus and the events of Calvary are true and correct. I wait for your verdict and confirmation on these matters at hand and urge the importance of timing is critical to my performance and my service to you Lord. Again, please avenge my name, my words, my truth and my Justice.
