### **Establishing Evidence Questions**

Why does the New Age Movement talk about “Ancient Master Guides” ?

Do the ancient actions impact life today & who are these Ancient Master Guides?

How does our individual DNA ancient tribe’s lineage, mythology & practices impact life results?

When Karyn first witnessed the human “SOUL” in the physical was with

- Her Reiki Teacher,
- A client situation was shown as a family (tree) but as a tapestry
- The last one was as the soul woven into the edging of a woollen blanket acting as a false covering or a “heavy veil” covering that person / situations or life.

Many New Agers talk about soul fragments, shamans talk about them, Karyn had been asked a few times to become or to study in some of those modalities. In the area of genealogy, and as a descendent of South Island Māori Tribe she had been requested to work with elders who would assist her in training practices of Tohunga (expert in their field) a Healing Māori Priest.

Ancient tribes are a magnet for entities, through mythology and other practices, DNA or bloodline patterns / issues are woven into an individual’s tapestry of creation. The “why” is always a great evidence trail & trail that is different for everyone.

The one soul issue encounter Karyn is most passionate about are when children’s souls can be taken in broad day light and the parents have no idea until life starts to begin to be difficult or strange! Generally, this is around the age of 3.

If you have not at this stage read “Real-Life Stories” Cradles & Bikes I suggested, you do that before you step into this. because many will say “load of rubbish” ancient tribes from Egypt have no effect on my life. Well, instead of thinking like that, think like this. If there is a 2<sup>nd</sup> heaven acting out to harm humanity, then who is doing it! Where have they come from? Why is the human DNA hunted and so valuable? for what purpose? Why is earth such a mission impossible? Why is global society is under the pump? Stressed and disheartened why?

Our work is to give you directional option to R & D yourself, to make you (stop for a moment) and really think & understand the value of your trichotomy. Some things we answer while others we leave you hanging because we can't even begin to answer. Knowing where in the spirit is a starting point, so you don't become the property of the wrong master.

For one is your master ( that calls you by your actions.) and the other is your Lord & Saviour who recognises you by your name.

We ask that as you read and research attend & activation day that you will bring all your questions so we can establish healing evidence that is meaningful to you your life, that heals generations past, present & future. That you will come and build a lineage in the spirit world that narrows the pathway to attacks.

You would think that the woollen blanket was to keep the individual warm, but no! quite the opposite, it was stitched into the persons soul!

## Initial Altar Topics

Here are topics that appeared in the very beginning. There are too many to mention so I will stay with the basics then we can step out from that position. It was amazing when I saw people's feet on altars and the meanings that the Holy Spirit unveiled to me that made perfect sense to the person, that the evidence held meaning to them & was applicable to their situation. During the creation of your evidence logs, do not discard anything as insignificant because altars built in the physical create connections to the spirit-world & that is how bondage or restraint of trade, poverty, illnesses, and more are anchored in the spirit.

I have given a few examples but not one for each topic we will go over these at the online Q & A or at evening Q & A in person, or on completion of Level 1 Night Healing Court Trading Keys 1 – 20. Or Weekend Healing Court Trading Keys 28-32 and anything post these two events will address at Student Graduation Day : Spiritual Bodyguards Activation Day

7. **Armies of Walking Dead**

---

---

---

## 8. Greys, Demons, and Implants

---

---

---

---

*Example: Photo evidence inside real-life stories*

## 9. Demi Gods and Goddesses

---

---

---

---

*Example: If you host a fascination with ancient Egyptian Goddesses then their entire lineage will be linked to your soul. And those that did not make it into Heaven will be walking through your spirit life and your books in heaven will be closed. ( to cross reference this statement - evidence is inside a few of the real-life Stories)*

## 10. Wicca and Witchcraft

---

*Example: A family member is invited to a birthday party, and they host malice towards the parents in the spirit world a child can be cursed through a doorway of resentment. The key lies in when the door was originally opened, and that's why Holy Spirits voice is required, NOT, I repeat NOT, the Spirit World. That voice needs to be shut down quickly. Note this applied to both mother & father lines*

23. Sins of mothers, family members

---

---

---

---

*Example: Affairs / Adultery if a parent sleeps with another while married then the incubus / succubus spirit enters the DNA & attaches to children, evidence can be young children with bladder infections, (note this applied to both mother & father lines)*

---

*Example: Freemason ✓ Lions ✓ Northern Star ✓ Bilderberg Group ✓ Governments ✓ Royal Bloodlines ✓ (we are born into a slavery world with-out bars and chains) but we personally add on our own bars and chains because we are dumbed down through a system. Our free will has been pre-sold its our own inner growth that takes us out of slavery into Kings & priests in heaven with God. If you do not wake to this, you can't claim life back in truth.*

## 40. Rothchild's Financial Governance

---

---

---

---

The banking system is a field of dreams without walls, think of the mechanism inside a banks high security combination lock to a safe and that is how the 2<sup>nd</sup> Heavens financial wealth destruction campaign operates. Now to exit this system you will need to understand Kingdom banking. And that is worthy of learning about ( *Remember no opinions matter here we are all about transparency & meaningful evidence*).

## Tapestry of Soul & Blanket Stich

Had I never walked into the church and claimed my faith relationship with the Holy Spirit so many pieces of the spirit world puzzle would be missing.

I bring into any conversation a language between worlds, from the realm's spheres and dimensions of the heavenlies that are part of everyday life on earth. We have been deceived by the deceiver & humanity has a choice to wake up & no better time than the events of 2019-2020.

## The Lord's Prayer

### Establishing Evidence | Personalised Prayer Statement

This is one example of how to start the process of pulling Heaven into your Earth environment. Take this prayer and work with it make it your own. Let the Holy Spirit infiltrate your world and expose all that sticks to it from the supernatural world or spirit-world.

Become more effective with accessing/ receiving revelations from Heaven by waking to the symbols around you. Another way to consider is the story of Jacobs Ladder Genesis 10-22 (Jacobs Ladder). This is one of the ways to get our communications directly into Heaven without the 2<sup>nd</sup> heaven interference through ascension.

Take time and insert your own words in the gaps making a statement as if you are standing in front of God, this way you can personalise your situation, make each statement short in 3 – 5 words maximum or speak in tongues to be more agile in the spirit. Think of God as your Friend, Father, Judge depending on the degree of affliction you are going through or trying to get freedom from. Be honest because he already knows, for he is waiting

for you to release yourself to him to assist in your next step in life's to break through any blockages you bring to him.

We have also offered Psalm 91 as a personalized prayer tool; if you were once like Karyn atheist/ agnostic just give this a try and keep at it, for Karyn, as a seer in all things supernatural she conveys to everyone that has a "Gut feeling" and that feeling of truth in you is trustworthy. If nothing else follow that, trust it and ask a few times for God to reveal that it is him and it is truth! You know you better than anyone else, trust what God say or shows you in your daily life. Evidence will show up and feel free to message Karyn with your experience a quick note email [dnasupport@ayin.nz](mailto:dnasupport@ayin.nz) your message is welcomed.

Take the evidence and record on your evidence logs. As you work through each trading key you will build a file of information. You may even go back to those notes several times, for tracking & tracing please record dates of your encounter giving yourself enough info to jog your memory at a future time.

## Poetry In Warfare

### Establishing Evidence | Personalised Prayer Statement

With Psalm Battle Plan you need understanding how to apply, steps o like this

- 1) establish evidence
- 2) record your evidence-on-individual evidence log
- 3) when making your declaration with any prayer apply or insert the Psalms verse that fits

*(stopping and starting is good, never be conscious that things are not perfect because they certainly were not for Karyn)*

Note: Karyn has seen things literally blown up like massive bombs ignited in the spirit world, crazy but good! The truth will be when issues resolve themselves in the physical. Then you know our God of creation is in it to win it with you! You are grafted and in the walls of his family.

Declarations are about the position of your heart, as you read your spirit will check your heart into places that you through have already been healed, from stuff or your heart will flip like “I thought that issue had no hold over me.”

Which means your soul just got a Heavenly Shock Wave of Goodness!

Regarding the Psalms, who ever thought or said poetry was not a weapon!

The seed of Abraham out of Zion, your words says

all families of the earth be blessed.**

**(Genesis 12:3 Context :** <sup>1</sup>Now the LORD had said unto Abram, Get thee out  
of thy country, and from thy kindred, and from thy father's house, unto a  
land that I will shew thee: <sup>2</sup>And I will make of thee a great nation, and I  
will bless thee, and make thy name great; and thou shalt be a blessing:

<sup>3</sup>And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed. <sup>4</sup>

So Abram departed, as the LORD had spoken unto him; and Lot went with him: and Abram was seventy and five years old when he departed out of Haran. <sup>5</sup>And Abram took Sarai his wife, and Lot his brother's son, and all their substance that they had gathered, and the souls that they had gotten in Haran; and they went forth to go into the land of Canaan; and into the land of Canaan they came. <sup>6</sup>And Abram passed through the land unto the place of Sichem, unto the plain of Moreh. And the Canaanite was then in the land.)

I will bless those who bless you & I will curse those who curse you. And Father god, we repent for that curse that came through those in governance of our country passing laws allowing for the unborn child to be unprotected, all those who have cursed our land saying and decreeing & coming into agreement of the Abortion Bill & agreeing with Baal sacrifice of ancient times, sacrificing our children.

## The Pit of Fire Strategic Decree

### Spirits of Ancient Tribes Trades, Altars & Traditions

I do confess I've got a few things going on in and over my life right now, therefore I take the right hand of my authority from the situation I find myself in.

Your Story |

List anything that needs to be added into you evidence logs.

With Faith I give this situation to Heavens Judicial Authority, for I am choosing to bind this situation and lay it at Jesus’s feet for I know you know more than I.

1. **Father, Friend, Judge**, show me the way to replenish swiftly under your umbrella of forgiveness, replacing my pride with salvation over my supplication.
2. May the reflection of ancient, embedded soul wounds and ancient bloodline soul wounds be disconnected and be replaced with your healing.
3. May your healing reflect and impart change into all things attached to me legally or illegally from all directions. All tools used in or at any level of **Indigenous magic, spells, rituals & altar** items all things I know nothing about, all things deeply seeded in my heritage set against me, my life, my family, and my future.
4. All things attached to ancient generation curses blocking my life from building a deep relationship with Jesus. All things known or unknown, seen or unseen, all things connected through **ancient tribal**

rituals, leadership incantations and spells, words, deeds and contracts, unfulfilled agreements & spirit tribal councils all things deeply seeded, connected into storytelling, leading me away from my Messiah.

5. All Ancient Satanic Religious Spirits, all Ancient Paganism, Ancient Witchcraft , **Ancient Draconian Magic, all Ancient Warlocks and War Lords, all Ancient Crystal Ball reflections, all Ancient Jezebel Curses, all Ancient ways**, all things that are abomination to my father in Heaven and all things I choose to have nothing to do with in this life releasing me for eternity.
6. **Father, Friend, Judge**, I lay all my bloodline Ancient tools inherited through my birth rite as a descendant from ancient tribal magic traditions. By my authority and power, I lay my bloodline **Ungodly gifts**, all things attached to my genealogy that you know I do not desire. All these things I give to you from this very moment for I choose to follow you Jesus. I wash my gift in the Holy Spirits healing and deliverance, resetting my course of action into my renewed intent and wellbeing.
7. **Father, Friend, Judge**, break through my genealogy bloodline connected to Ancient Tribes, Witch Doctors, Medicine men and women. All things remaining and connecting me through **Ancient inter-marriage and relationship soul wounds**, all things blocking my purpose you hold for me before I came to this life. All things connected to **Ancient divinations**, all tools known or unknown, seen or unseen.
8. From this day, may reflections of the Holy Spirits purpose for my life be present in mine and my bloodlines lives now and for evermore. May it be embedded in our heart, healing our souls in a manner each will understand. May the glory of Heaven fill all the space where my bloodlines genealogy, **ancient ritual knowledge once stood**. May all

abuse of **blood sacrifices** be filled with your Loving Grace and Mercy. Father, hear me, this is your child speaking. Father, hear me, I lay these abominations at your feet. Anything that was used against me by my genealogy, for my life feels like I have been used as a modern-day sacrifice. Father, Friend, Judge, my life feels so broken.

9. **Through my actions today, may the Holy Spirit healing be felt by those not present, but connected to my bloodline. May you loosen the strongholds over us, so we may receive your soul wound healing. All things connected to our bloodlines story, for I know you know more than I.**
  
10. **Father, Friend, Judge,** I stand under your umbrella, cleansing my authority on behalf of my family and my bloodline, all inter-marriage and relationship soul wounds affecting our life. Please take this healing all the way back to the seed of creation, forwards in time, back to this exact moment, healing and releasing us all.
  
11. Through my authority and power, I bind each **ancient individual stronghold**, as they have shown me today that they are unrelenting in letting me go and letting my family go. We seek you in this life Jesus. I seek you!
  
12. Jesus, release us against the remaining **ancient familiar spirits** in the eternal life. Release us now, for I know you know more than my bloodline. I know you know more than me and I lay my FAITH inside your kingdom. I lay it with a full Heart of your LOVE for me and all those effected by these ancient atrocities.
  
13. Jesus, I choose to close all ancient entry points that they have hidden from me and I lay these at your feet. I lay all ancient keys they hold

in the eternal life, all ancient keys they are choosing to hold against me and my family.

14. Jesus live inside of me, not tomorrow, but from this moment for I choose you for my family and my future bloodline. I choose you for my life and for my eternal life.
15. **Father, Friend, Judge**, release me from their ancient attacks. Let my ancient eternal bloodline live with their actions and I live with mine.
16. Jesus, I give to you my bloodline and I give you all matters we have spoken about today. I lay them at your feet blocking them from reaching me.
17. **Father, Friend, Judge**, I am **STATING** my authority and power over all bloodline members living in the eternal life who made a choice when I entered, into Heavens Courts. The **ancient familiar spirits** from my bloodline choose to stand in between the veils and reside outside of Gods Kingdom. Therefore, I make a choice today and lay them at your feet for they bring my enemies from the 2<sup>nd</sup> Heaven into my life, and I choose to reject them. I refuse their entry and I repent for actions I have done in this life allowing them entry. I repent in my father's name and my mother's name, blocking all ancient bloodlines entry to current and future generations.
18. From my right hand I cast out my fishing nets across those I have bound. I cast it out with the intent to net all individuals, all ancient **familiar spirits** attached to my bloodline including all veiled ancient medicine wheels hosting bloodline **ancient Warlocks and Wizards**. All

energies veiled in attempt to control my life. All we have talked about today and all you know that are invisible to me.

19. I cast my fishing net out across all time, dimension, space and reality, dominions, and kingdoms, across the universe and realms, across all words, deeds and contracts, satanic commissioning's, Freemason and occult, all witchcraft, all invisible indigenous medicine wheels blocking the kingdom of God's entry into my life.
20. I cast my net out across all religious spirits and spirits of Oppression, all known or unknown, seen or unseen, By netting all that relate to 2<sup>nd</sup> Heaven, all **familiar spirits dressed** in my appearance as my past loved ones, I cast my net across all those who have caused me to be seen as an abomination to God.
21. Jesus, I cast all my fishing nets filled with my catch. I lay these abominations at your feet disconnecting my genealogy curses across my life. In full faith Jesus, I know you have guided me today, I know you have been waiting for this day Jesus. Guide the casting of my fishing net to collect all I hold faith in. ## FYI | NATIVE AMERICAN INDIAN CURSES and DEMONS

We need to become aware of demonic activity rooted in Indian curses. The American Indian tribes were demon worshippers. When the white man arrived, he did many horrible things to the natives and the Indians retaliated by cursing the land from one end to the other, wherever they went. Many today have Indian blood because of intermarriage, rape, and immorality, and this can bring inherited family curses. So many times, in deliverance, we uncover previously unsuspected grounds for attack and harassment coming through these channels.

Win Worley, who I believe was the most-anointed deliverance minister, tangled with a Comanche Indian spirit in a woman. A blue-eyed blonde with Comanche heritage! As the demon manifested and demanded his name, he answered Thunderbird! And what do you do? I asked. Well, what do you

think I do? Stupid! I thunder...I cause commotion. But she won't do it. She is no fun; she just won't do it at all. We haven't given up and are still working on it, but she won't let us do anything. He then called her some obscenities as we closed in and forced him to go and thunder some other place.

Immediately another Indian spirit manifested. Haughtily he announced he was Firebird. I strut, I plan, but she's no fun. This stupid woman! I tell her 'paint your face, fix yourself up' but she just won't do it. She likes to be clean and neat. How sickening! I want her to paint her face and eyes like a harlot, but she won't do it. His frustration over this has ceased for he has gone where it is very dry (Job 30:3-8).

## PRAYER

I forgive American Indians and my Indian ancestors for witchcraft against the white man, me and my relatives; for deep-hidden-seething anger-bitterness-resentment-hatred of the white man; for cursing the land and people; for eating and drinking flesh and blood; and for worshipping demons.

I forgive the white man for rejecting and enslaving them on the reservation.

I forgive the war women for the Jezebelic matriarchal rule of the tribe.

I forgive the witch doctors and shamans for cursing the descendants, dedicating them to Satan, and causing physical problems and diseases. I forgive my ancestors.

I ask forgiveness for myself for the sin of idol worship and disobedience as described in Exodus 20, Leviticus 26 and Ezekiel 18.

I ask you to forgive me for any sins associated with Indians such as Scouting.

I will destroy Indian artifacts, break ungodly soul ties and break ties to Indian organizations.

I break the curses of incest, rape, immorality, and the bastard.

I break spiritual roots to any diseases brought about by curses.

I break American Indian curses on me and my descendants back to when the white man came to America. I do this in The Name of Jesus Christ, Lord, Master and Saviour.

I come against spirits that have been renounced and legal rights taken away;

I command that they come out with their families and works as their names are called.
